

FIS Payments One Debit

Unlock an all-in-one, cloud-enabled platform for smoother, safer money movement with debit cards

Debit cards play an important role in the movement of money and offer more than just transactional convenience. As consumers increasingly expect rich digital experiences from financial institutions, adopting a modern debit strategy becomes crucial to unlocking growth opportunities. Can your bank deliver a sophisticated debit card program that moves money smoothly and safely to meet customer demands?

FIS® Payments One Debit delivers a one-stop, modular platform tailored for seamless debit card processing that keeps money in frictionless motion. Through a comprehensive suite of cloud-enabled services, Payments One Debit transforms your program to unlock a smooth and accurate flow of funds and meet contemporary needs while maximizing cost-effectiveness, enhancing fraud protection and ensuring full compliance.

Deliver seamless digital experiences

Empower your customers with secure, integrated payment solutions featuring digital issuance, tokenization and push provisioning for easy account management and card control across various devices.

Unite the disconnected

Simplify operations and cut costs by unifying loyalty programs, fraud protection, card production and network services within a single platform.

Leverage payment data effectively

Use payment data to reduce fraud risks, decrease regulatory demands and uncover new growth opportunities within your debit offerings.

Enable your business to scale and innovate

Payments One Debit provides exceptional system reliability, advanced APIs and a user-friendly interface, enabling swift integration of the latest digital innovations to boost operational and handle increasing volumes of payments.

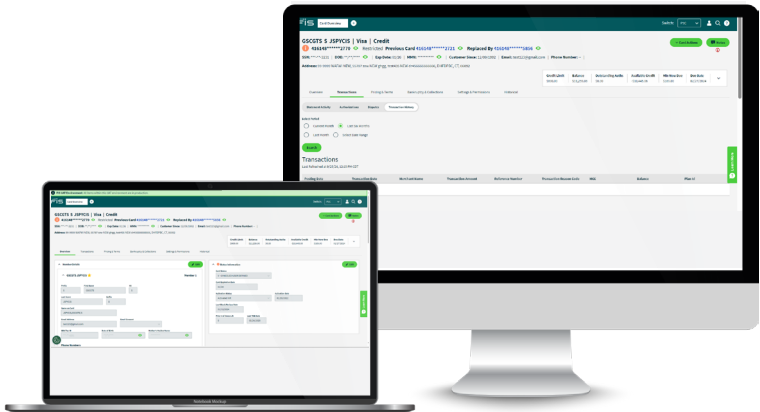

Bring clarity to complexity

Harness the potential of analytics to transform insights into growth by helping you refine your operations, lower expenses, personalize customer experiences and differentiate your services in a competitive market.

Enhance your debit portfolio

Choose from a range of value-added services that work together in perfect harmony. Whether you want a fully managed debit card program or just a supplement for your existing capabilities, FIS has the support you need.
