

GO AHEAD, SPOIL YOURSELF

With Worldpay from FIS Referral Rewards

The Worldpay Referral Rewards program is a referral program designed with you in mind. There are many ways that Worldpay makes earning Referral Rewards points easy and fun!* Find out what opportunities for earning points are available at your financial institution by asking your Worldpay representative today.

How it works

Once you begin earning reward points, we will email you when points are added to your account, so you know the progress you are making toward the rewards you want. You can redeem your points instantly or save them to redeem later.

When you decide to redeem your points, you can choose from a wide selection of exciting items including gift cards from top retailers and restaurants, vacation trips, and valuable merchandise like jewelry, appliances, electronics, sporting goods, clothing and more. The reward catalogue is updated frequently, so there's always something new to choose from!

* Referral Rewards Points can be redeemed for gift cards or other popular items. Referral Rewards Points and their value are considered to be taxable income to the recipient. Worldpay has the right to change or terminate the program at any time. This merchant services referral incentive is applicable only to current bank employees who must be employed by the bank at time of both referral and receipt of Rewards Points. Additional terms and conditions may apply.
