

The table below is a list of transactional Interchange and Scheme Fees a merchant will expect to pay as part of their agreement (where relevant) with Worldpay. Please use this as a reference as depending on channel and region you will see these fees change within the ranges below.  
Please note, the Interchange on EEA issued consumer cards taken in EEA based merchants will be capped at 0.20% for Debit and 0.30% for Credit. However this is subject to change in certain circumstances which will be noted below. The UK is no longer treated as a member of the EEA for Interchange qualification.  
Visa Everyday Spend: If a merchant is one of the qualifying Merchant Category Codes (4111, 4131, 4900, 5411, 5541, 5542, 8398, 9311) and were registered before the 30th September 2019, they can qualify for Scheme Fee rates less than the lower rates shown below at 0.010% for Visa Debit and 0.014% for Visa Credit.
