

Fintech Referral Network

Connecting you with the right bank partner

Bringing financial services together

When you offer more services to your customers, you become their one-stop shop. Finding the right partner to widen your breadth of services is critical to delivering convenience to your customers and loyalty to your business.

The FIS Fintech Referral Network facilitates engagement for fintechs who are seeking to partner with a bank to help deliver transactional and savings accounts, lending or payments services to your customers.

A partner for innovation

FIS is the world's largest global provider dedicated to banking and payments technologies. FIS empowers the financial world with payment processing and banking solutions, including software, services and technology outsourcing. If you want to partner with financial institutions, the FIS Fintech Referral Network can get you there faster than you ever thought possible.

- Access to scale and expertise
- Broad ancillary ecosystem and API catalog
- Professional Services & Consulting
- Systems Integration Support.
