

5 TRUTHS AND 1 MYTH OF NYCE PAYMENTS

DELIVERING INNOVATION

NYCE Payments Network®, LLC (NYCE), an FIS® company, is the strongest network partner to enhance the power of your financial institution’s brand and optimize net revenue, innovation and service for you and your customers. It has a history of driving innovation, with many solutions that are in the market today such as PayNet®, the SUM® surcharge-free program, eCommerce and mobile transactions. Additionally, NYCE and FIS play leadership roles in multiple industry groups to help shape the future of payments.

Here are five truths and one myth of NYCE:

TRUTHS

NYCE was the first U.S. domestic debit network to introduce PINless POS, speeding up payment for consumers at retail locations

First to create a dual-purse Health Benefit Program

Launched PayNet®, a payments network that supports P2P solutions such as Zelle®

Offers the industry’s widest selection of real-time funds movement solutions

First U.S. domestic debit network to go live with tokenized transactions for Apple Pay®

MYTH

Can’t support all functionality that global networks can
