

# 5 ways to win growth in the business banking battleground

## Unlock growth with Digital One™ Commercial

Business banking has become a critical battleground for growth. Leading banks are investing in digital innovation to deepen business customer relationships and capture more value, delivering connected, real-time experiences for North American businesses.

### 1. Capture new revenue opportunities

Banks are boosting growth by expanding value-added services. FIS® Digital One™ Commercial supports advanced offerings from integrated cash management to multi-entity and cross-border solutions to drive higher fee-based revenue.

### 2. Compete for real-time payments and liquidity

Corporate customers expect instant payments with full visibility across all their accounts. Digital One Commercial connects to North America's real-time payment payment networks like Real Time Payments and FedNow.

### 3. Deliver one experience across many markets

Small business, mid-market and corporate customers have diverse needs. Digital One Commercial provides a unified, core-agnostic platform that offers consistent, tailored experiences for different customer segments.

### 4. Offer secure transaction banking for customers

Banks in North America power trade, liquidity and cash flow across complex supply chains. Digital One Commercial helps banks deliver these services with greater visibility and control powered by FIS' advanced fraud detection.

### 5. Compete with digital-first challengers

Fintechs and digital banks are raising expectations for speed, convenience and innovation. Digital One Commercial helps traditional banks respond with modern experiences backed by trust and scale – enabling API-driven and embedded banking experiences.

## Grow relationships. Expand wallet share. Lead business banking across North America.
