Consumers are demanding greater control over their data.

Regulators are passing laws with strict timelines and penalties for non-compliance.

Organizations do not have the tools or oversight for data privacy management.

DATA PRIVACY MANAGER (DPM)

A comprehensive, out-of-the-box but highly configurable solution with modules to operationalize all aspects of privacy compliance.

WHAT IS THE SOLUTION?

Businesses must have a system to capture, fulfill and manage consumer data privacy requests in order to comply with U.S. and international privacy regulations.

Common Goals of Privacy Laws

- Provide consumers with greater transparency into how their data is being used
- Obtain opt-in consent for non-compliance with all marketing activities

About FIS

FIS is a global leader in technology, solutions and services for merchants, banks and capital markets that helps businesses and communities thrive by advancing commerce and the financial world. For over 50 years, FIS has continued to drive growth for clients around the world by creating tomorrow’s technology, solutions and services to modernize today’s businesses and customer experiences. By connecting merchants, banks and capital markets, we use our scale, apply our deep expertise and data-driven insights, innovate with purpose to solve for our clients’ future, and deliver experiences that are more simple, seamless and secure to advance the way the world pays, banks and invests. Headquartered in Jacksonville, Florida, FIS employs about 55,000 people worldwide dedicated to helping our clients solve for the future. FIS is a Fortune 500® company and is a member of Standard & Poor’s 500® Index. For more information about FIS, visit www.fisglobal.com
