

## 1. QLIK SOFTWARE TERMS.

1.1 Qlik Advanced Analytics for FIS Supervision Compliance Manager, Qlik Embedded Objects for FIS Supervision Compliance Manager and/or Qlik Professional Analytics for FIS Supervision Compliance Manager (each a “**QlikTech Product**”). The QlikTech Product is “Powered by Qlik” and Client is prohibited from using the QlikTech Product in any way other than integrated with the data structures of the FIS Solution. Client may under no circumstances whatsoever use the QlikTech Product independently or separated from the FIS Solution. The QlikTech Product is restricted to the Solution data structures and cannot be connected to any third-party data structures that are not contained in the FIS Solution. Client shall be prohibited from using the QlikTech Product other than in accordance with the provisions of the Agreement. Further, FIS reserves the right to conduct audits at Client’s premises to ascertain whether Client’s use of the QlikTech Product complies with the provisions of the Agreement. Client shall have no ownership rights in the QlikTech Product. Ownership of the QlikTech Product and the copyright and all other IP rights in and associated with the QlikTech Product shall remain at all times with QlikTech or its licensors. Client shall not have any rights in the trademarks, service marks or designs of QlikTech, all of which remain the exclusive property of QlikTech. Client shall ensure that any copy of the QlikTech Product is produced only in accordance with the terms of the Agreement and for Client’s own benefit, that it is clearly marked on the copy that such copy is subject to copyright and confidentiality, and that a written list is maintained of the number of copies and place of storage. Client may not sub-license, publish, display, disclose, rent, lease, modify, loan, distribute, or create derivative works of the QlikTech Product or any part thereof. Client may not transfer the QlikTech Product except as provided in the Agreement. Client may not reverse engineer, decompile, disassemble, translate, or adapt the QlikTech Product, nor shall Client attempt to create the source code from the object code of the QlikTech Product software unless explicitly permitted by applicable and mandatory law. Client shall have no right to grant sub-licenses or to assign the benefit or burden of the Agreement in whole or in part. Further, Client shall discontinue use or destroy or return all copies of the QlikTech Product on termination of the Agreement.
