

# FIS DISBURSEMENT CARD

**A prepaid solution that meets the mandate of quick delivery and simple access to funds**

## **FIS Disbursement Card – A safe, cost-effective payment solution**

Businesses need a way to disburse funds for any need. From insurance claim refunds to petty cash, the disbursement of these funds needs to happen quickly and efficiently. Checks are expensive and the technology of the past. They can also be easily lost in the mail. Shifting to FIS® Disbursement Card can be a seamless option for individual cardholders.

## **A fast-track prepaid technology**

FIS Disbursement Card helps eliminate the challenges of customer refunds, employee reimbursements, relief funds and partner expenses. Disbursement of funds is a critical and often urgent need; having the right solution can make it simpler.

## **What makes FIS Disbursement Card the right partner?**

FIS is a trusted partner to help you along the way. Our prepaid debit programs are fast and easy to deploy, allowing you to update your disbursement platform from checks to physical or digital prepaid cards.

FIS Disbursement Card is one step ahead in innovation and technology, which makes customers' lives easier and convenient.
