

FIS COMMERCIAL LOAN ORIGINATION

A Digital Platform for the Lending Experience of the Future

The commercial loan origination process can be laborious and complex. And when you're maintaining customer lending data across an aging and fragmented architecture, you get limited automation, little transparency and fragmented views of the customer.

FIS® Commercial Loan Origination kickstarts the lending journey of the future with a truly digital experience, so you can improve customer engagement and increase profitability.

Designed for all segments of your commercial lending business – from SMEs to complex and specialized corporates – the solution provides a single 360-degree view of your customers, automates lending process management, and integrates financial analysis and rating.

REDUCE COSTS

Cut your TCO with a modern, open architecture and seamless connectivity.

IMPROVE SERVICE

Slash response times and time to cash for greater customer engagement.

BOOST REVENUE

Attract more customers with a truly digital, intuitive and self-service experience.

CONTINUOUSLY MANAGE RISK

Stay on top of risk with a complete, multi-dimensional view of customers and exposure at your fingertips.

Increase your confidence and transparency with automated compliance monitoring and a single intuitive dashboard for managing the details of customer relationships.

STREAMLINE APPLICATION WORKFLOW AND UNDERWRITING

Run a more efficient loan origination process with the automated collation of all data from deal inception to approval. You can also configure process flows and rules according to your credit appetite and strategy.

MOVE RISK MANAGEMENT CLOSER TO THE POINT OF SALE

Get a better understanding of your customers with a single source of truth for both credit analysis and relationship management. And integrate our fully configurable risk rating and pricing engines with the origination process for speed and accuracy.

ACHIEVE A STRAIGHT-THROUGH CREDIT PROCESS

Connect seamlessly to core banking and servicing platforms, enable “one-touch” loan onboarding with workflow-driven activation, and pre-configure policy checking and compliance validation.

PAINLESSLY MODERNIZE THE ENTIRE LENDING LIFE CYCLE

You can use Commercial Loan Origination on a standalone basis or as part of our FIS® Commercial Lending Suite, an integrated front-to-back-office solution with built-in workflow and analytics for the whole commercial loan process.
