

FIS PAYMENT HUB - QUANTUM EDITION

FORMERLY TRAX

An Award-Winning Hub for Domestic and Cross-Border Payments

Companies have long struggled with high costs, a lack of visibility over cash, poor controls, and the risk of payment fraud.

Overcoming these issues is even more difficult for corporations that have yet to centralize and standardize their payments. The COVID-19 pandemic only exacerbated these challenges.

FIS® Payment Hub - Quantum Edition (formerly Trax) is an award-winning payment hub that digitalizes payments and bank reporting.
