

FIS PRIVATE CAPITAL SUITE – PREMIER EDITION

FORMERLY FIS PRIVATE EQUITY PREMIER

The Turnkey Solution for Large-Scale, Complex Private Markets Fund Managers

When the largest and most complex private equity fund managers have outgrown their data management and accounting systems; when they need to enhance client service and reporting; when they want total confidence in their entire operation, then it's time to find modern technology.

FIS® Private Capital Suite – Premier Edition is a bespoke package designed for the largest and most complex private fund managers. Based on decades of experience working with elite private equity fund managers like you, we've configured our market-leading FIS® Private Capital Suite, along with

FIS® Digital Data Exchange and FIS® Digital Investment Analytics solutions (formerly Investran, Data Exchange and Private Equity Rainmaker) plus services to maximize your growth.

Choose from pre-configured solutions tailored to your unique requirements, including fund accounting and administration, data management and distribution, online investor portals, portfolio company data management and Business Process as a Service (BPaaS). And with our rapid launch model, you can start benefiting right away, with minimal disruption.

MODERNIZE YOUR INFRASTRUCTURE

With FIS Private Capital Suite – Premier Edition you can swap out legacy software and embrace the full power of FIS' market leading solutions.

IMPLEMENT A TURNKEY SOLUTION

Our technology can be implemented quickly to support your ongoing growth with no interruptions to your business.

HARNESS THE POWER OF PROVEN TECH

Each individual technology solution is trusted by the world's largest private equity firms and built on decades of experience and expertise.

FIS PRIVATE CAPITAL SUITE – PREMIER EDITION

The Turnkey Solution for Large-Scale, Complex Private Markets Fund Managers

ENHANCE SECURITY AND CONTROL

Our “secure by design” approach gives you confidence that your private markets solutions and data are protected. Cyber security is in our DNA, and we operate within a framework of the highest standards for security and compliance.

OPERATE WITH EFFICIENCY AND SCALE

Our cloud-based and BPaaS models provide both efficiency and scale.
