

# FIS PRIVATE CAPITAL SUITE - SELECT EDITION

FORMERLY PRIVATE EQUITY SELECT

## A Scalable Solution for Established Private Equity Fund Managers

When private equity funds realize that they have outgrown their systems or spreadsheets, it's time to find modern technology to maximize growth.

### **FIS® Private Capital Suite – Select Edition**

(formerly Private Equity Select) is a quick-start package designed for established managers. Based on decades of experience with hundreds of private equity fund General Partners, we've configured our market-leading FIS® Private Capital Suite, FIS® Digital Data Exchange and FIS® Digital Investment Analytics (formerly Investran, Data Exchange and Private Equity Rainmaker) solutions plus services to help you accelerate growth and efficiency.

As a simplified, integrated and scalable solution, Private Capital Suite – Select Edition offers powerful fund accounting and administration, data management and distribution, online investor portals, portfolio company data management and can be layered with a BPaaS.

### **A TURNKEY SOLUTION**

Private Capital Suite - Select Edition can be implemented quickly to support ongoing growth for established firms.

### **PROVEN TECHNOLOGY**

Each solution within the suite is trusted by firms across the private equity industry and built on years of experience and expertise.

### **CONFIGURED FOR YOUR NEEDS**

Private Capital Suite - Select Edition is designed specifically for the needs of established and growing multi-strategy firms.
