

Supply Chain Finance Platform (formerly Demica)

Unlock the flexibility and power behind the world's leading banks

The FIS® Supply Chain Finance Platform is trusted by leading global banks to automate and scale their trade and supply chain finance programs. It powers a comprehensive suite of solutions across payables finance, receivables finance, and trade receivables securitization, helping clients optimize working capital and accelerate cash flow.

Trusted to deliver

With over \$5B in assets and over 50 of the world's leading banks using the platform, we have delivered at scale for decades. For over 25 years, we've partnered with banks, building a platform and processes tailored to meet the challenges of supply chain finance at scale.

Our clients include:

HSBC 

BANK OF AMERICA

ING 

BBVA 

A platform that meets your objectives

Growth

Intuitive CX and easy customer onboarding helped our largest client reach over \$5B in assets. Regional banks have scaled new business from 0 - \$100M in just six months, supported by our expert team.

Operational efficiency

Our clients see customer onboarding and transaction setup time slashed. A leading U.K. bank reduced supplier onboarding time by 96%.

Scalability & security

95% of the world's leading banks use FIS technology. The Supply Chain Finance Platform has over \$41B in assets under administration and processes millions of invoices daily.

Product partnership

From launching Sharia-compliant SCF with a Middle Eastern client, to building dynamic discounting flexibility with a leading European bank, we deliver the features that drive growth, operational efficiency, and risk reduction year on year.
