

5 ways to win growth in the business banking battleground in APAC

Unlock growth with Digital One™ Commercial

Business banking is becoming one of the most valuable growth opportunities across APAC. Leading banks are investing in digital capabilities to win deeper relationships and capture more value. Banks that win are building connected, real-time and cross-border customer experiences.

1. Capture new revenue opportunities

Growth is driven by customers operating across multiple markets, currencies and entities. FIS Digital One Commercial supports trade finance, foreign exchange and multi-entity liquidity management to increase wallet share.

2. Compete for real-time payments and liquidity

Corporate customers expect instant payments and full visibility across accounts and regions. Digital One Commercial connects to regional payment rails like PayNow, FAST and UPI while enabling real-time treasury services.

3. Deliver one experience across many markets

The needs of SMEs, mid-market firms and corporates vary widely across APAC. Digital One Commercial delivers a unified, core-agnostic platform with localized experiences across markets.

4. Turn transaction banking into a growth engine

Banks in APAC power trade, liquidity and cash flow across complex supply chains. Digital One Commercial helps banks deliver these services with greater visibility and control.

5. Compete with digital-first challengers

Fintechs and digital banks are raising expectations for speed, convenience and innovation. Digital One Commercial helps traditional banks respond with modern API-driven and embedded banking experiences – backed by trust and scale.

Grow relationships. Expand wallet share. Lead business banking across APAC.
