

FIS Digital One Account Open

# From Start to Funding... in 5 Minutes or Less

Your application is the first impression you make on potential customers. Without a good user experience, it may also be the last.

1 in 3 applications is abandoned<sup>1</sup>

for customers is "finding time to visit a branch"<sup>2</sup>

Whether it's the first account or a second or third, FIS™ Digital One® Account Open is easy, fast and paperless for customers to apply for, fund and open new accounts digitally, at any time, on any device. And it's the only account opening platform certified by the American Bankers Association.

## Offer Anytime, Anywhere Convenience

Customers start an application from any device

Fully responsive design

They verify who they are with no need to visit a branch

Photo ID upload & verification

Real-time screening

Meet regulatory compliance & security requirements

And, if already a customer, their information auto-populates

No unnecessary data entry

If pressed for time or missing info, they can save for later

Save an application any time

Resume later from any device

Or have a secondary applicant complete their own data

Invite others to input their own information

Funding the account is also fast and easy
