

TAKE ADVANTAGE OF YOUR SPARE CHANGE WITH ROUND UP

Give your cardholders the flexibility they are looking for by rounding up their debit transactions to savings or a charity of their choice.

Allow your cardholders ...

... to invest in their future or give back to good causes with Round Up Debit Transactions. Round Up allows you to integrate into your existing platform for a frictionless experience, and increases transaction volume and brand loyalty.

76% of Americans are living paycheck to paycheck.¹

50% of Americans have less than a 3-month cushion in their savings account.¹

27% have no savings account whatsoever.¹

Round Up Debit Transactions will allow your debit cardholders the ability to opt-in to rounding up every transaction to the next dollar to a savings account.

Additionally, cardholders can also choose to instead donate their rounded-up transaction to a charity of choice utilizing the FIS Charitable Giving Platform.

42% Donors that set up recurring donations give 42% more annually, compared to one-time donations.²

Round Up

increase's cardholder usage with more benefits and keeps your card top of wallet.

How it works

- 1 Cardholder chooses to round up to their savings account or give to the charity of their choice and personalizes their individual settings
- 2 Each debit card transaction made is rounded up, and the balance is transferred to the customer's savings account or charity of choice

SAVE OR DONATE MONEY - IT'S SIMPLE WITH ROUND UP.
