

PREPAID PROGRAM MANAGEMENT

Processing, Program Management, Sponsor Bank, Cards combined in one single source.

Turnkey, Secure, Compliant and Customizable Solutions, Meeting Every Need of Your Organization

FIS understands that prepaid card programs are not one-size-fits-all propositions. Your business requirements are unique. With prepaid solutions from FIS, there is the flexibility to customize – each offering to provide distinct levels of service, capabilities and features.

The key advantages of FIS Prepaid Program Management include providing a service with lower costs, quicker implementation and reduced time to market compared to adding to your existing business processes.

Easy to Implement

As a payments solution, prepaid has valuable options for a broad spectrum of FI's and non-FI's in today's and tomorrow's rapidly evolving financial world. FIS has created an adaptable foundation to meet the pace of change and life's financial needs.

Whether you need a prepaid card solution for business or consumer use, FIS will provide you with an end-to-end, easy-to-implement prepaid card program that can start producing results quickly.

An estimated **\$217 billion** will drive the prepaid industry in 2019 and that's outside of gift cards.
