

FIS LendAmend

Streamlining the Amendment Process in the Leveraged Loan Market

As the premier service focused on leveraged loan amendments, FIS LendAmend is where amendments come together. FIS LendAmend provides systems and administrative support organized to streamline the entire amendment process for the leveraged loan market. Our solution is the only system in the industry that allows for centralization and standardization of all amendments in the market. FIS LendAmend is capable of supporting any type of amendment (covenant modifications, waivers, amend and extend, re-pricing, prepayments and restructurings) for all agents and lenders in the US and Europe.

The FIS LendAmend team consists of several dedicated amendment specialists that have worked on thousands of transactions. The team works closely with agents and lenders from start to finish to ensure smooth interactions with the lender syndicate and timely closings.

The FIS LendAmend team creates and manages the voting site on behalf of the agent, while the agent can view the real-time status of the voting.

- Web-Based Portal to Manage All Amendment Activities
- Dedicated Amendment Execution Team
- Real-Time Vote Tracker and Dashboard for Agents
- Easy Online Execution for Lenders
- Consistent and Simple Amendment Flow
