Overview

FIS's Relius Government Forms supports solutions for the completion of government forms related to employee benefit plans. We are a leading provider of government forms software and services for the employee benefits professional.

Our solutions feature easy-to-use, government-approved forms for 5500, 8955-SSA, 1099 and 5300 that ensure the comprehensive and accurate automation of the form completion process while helping to save you time and resources.

Besides being a resourceful, intuitive system for helping you prepare forms, Relius Government Forms also allows you to file forms electronically. With Relius Government Forms, you can produce and electronically file forms with the Department of Labor (DOL), Internal Revenue Service (IRS) and the Pension Benefit Guaranty Corporation (PBGC).

FIS's Relius Government Forms offers dependability, flexibility and security you can trust.
