

# Merchant Solutions

Advanced Technology. Trusted Transactions.

## A multidimensional suite of payment technology and supported business solutions and services

From end-to-end payment processing to cutting-edge loyalty programs. FIS is your one trusted partner that can help you deliver a multidimensional suite of payment technology and supported business solutions.

### Merchant Services

Payment tools that help create easy selling and buying experiences, to include payment processing, payment equipment, compliance and data breach protection and business reporting.

### Kineticpay™

All-in-one POS and business management solution to help you manage everything from guest payments to business inventory, sales and marketing. Available via tablet-based terminal and mobile card reader options.

### FIS Recruiting Manager

FIS' hiring and employee onboarding portal enables businesses to efficiently post jobs, track, and manage applications, onboard new employees and take advantage of federal tax credits.

### Practiview

A digital marketing portal that helps your business measure how well you are performing online, to include managing listings, social media and overall brand reputation from one simple-to-use interactive dashboard.

### Gift Card and Loyalty Products

A full range of closed-loop, stored value, gift and loyalty card programs, all designed to increase sales and higher customer retention rates. Completely turnkey, FIS can manage everything from card design to card processing.

### ClearCommerce

An e-commerce gateway used by top companies around the globe. Delivers complete suite of tools to assist customers with managing all the payment, fraud and order review challenges associated with a card-not-present business.

### Complete Payment Acceptance

FIS offers an impressive range of payment processing capabilities including:

- credit, debit and EBT
- electronic checks and ACH
- mobile, gift and loyalty cards
- gateway services

### Equipment Choices

Variety of point-of-sale equipment options from top equipment manufacturers, including Verifone, Ingenico and PAX FIS provides competitive purchase prices and low-cost monthly payment options as well as point-of-sale deployment, repair and supply services.
