

FIS Standard Terms

These FIS Standard Terms (“**FST**”) may be incorporated into one or more orders referencing these FST (each, an “**Order**”). Each Order, together with these FST, shall form a separate agreement (this “**Agreement**”), by and between the Person identified on the Order (“**Client**”) and the FIS company identified on the Order (“**FIS**”), applicable to the proprietary solution identified on the Order (the “**Solution**”), as such Solution may be modified, revised and updated from time to time. Only the Client and FIS entities that execute the Order will be liable for the obligations under that Order. Each Order will specify its effective date (“**Order Effective Date**”).

1. Scope. Client may use the Solution only in the ordinary course of Client’s internal business operations for the benefit of Client and only in accordance with the terms on the Order, the Documentation and this Agreement, including the Scope of Use. Client shall be liable for any breach of this Agreement by any persons given access to the Solution by Client.

2. Specified Configuration. Client shall, at its expense, procure and maintain the computer hardware, systems software and other items required for use of, or access to, the Solution, including those described in the Order and Documentation (the “**Specified Configuration**”) and for updating the Specified Configuration in accordance with FIS’ published updates. If not yet completed, Client shall complete its procurement and installation of the Specified Configuration prior to the scheduled start of implementation. Client shall devote all equipment, facilities, personnel and other resources reasonably necessary to begin using the Solution in production on a timely basis as contemplated by this Agreement and satisfy any Client requirements necessary for FIS to complete the professional services described in Section 6. FIS is not responsible for any delays or additional fees and costs associated with Client’s failure to timely perform its obligations under this Section 2.

3. Payments.

3.1. Fees. Client shall pay to FIS the fees stated in the Order, in accordance with the payment terms stated on the Order. FIS shall invoice all other fees as and when incurred. All invoices shall be sent to Client’s address for invoices stated on the Order. Except as otherwise specified on the Order, Client’s payments shall be due within thirty (30) days after the invoice date. A late payment fee at the rate of 12% per year (or, if lower, the maximum rate permitted by applicable law) shall accrue on any amounts thirty (30) days past due and unpaid by Client to FIS, except for Disputed Amounts. FIS may not increase the fees and charges payable under this Agreement, unless otherwise stated in this Agreement or in the Order. Except as provided in Section 4.2(c), all fees and other amounts paid by Client under this Agreement are non-refundable.

3.2. Third-Party Fees. The fees payable by Client to FIS in accordance with this Section 3 do not include any applicable royalties, costs, expenses and/or fees that may be imposed by the Third-Party Providers for the Third-Party Data and Services provided in accordance with this Agreement. Client shall be solely responsible for, and shall pay, all such third-party fees as and when directed by FIS or the Third-Party Providers.

3.3. Taxes. The fees and other amounts payable by Client to FIS under this Agreement do not include any taxes, duties, levies, fees or similar charges of any jurisdiction (“**Taxes**”) that may be assessed or imposed in connection with the transactions contemplated by this Agreement, excluding only taxes based upon FIS’ net income. Client shall directly pay any such Taxes assessed against it, and Client shall promptly reimburse FIS for any such Taxes payable or collectable by FIS.

3.4. Certain Remedies for Non-payment. If Client fails to pay to FIS, within thirty (30) days after FIS makes written demand for the past due amount, any past-due amount payable under this Agreement (including any applicable late payment fee) that is not a Disputed Amount, in addition to all other rights and remedies which FIS may have, FIS may, in its sole discretion and with further notice to Client stating the suspension date, suspend performance of any or all of its obligations under this Agreement (other than Section 5). FIS shall have no liability for Client’s use of the Solution until all such past-due amounts and any applicable reinstatement fees are paid in full.

4. Warranties, Covenants and Limitations.

4.1. Compliance with Laws. FIS shall comply with all laws, enactments, orders and regulations applicable to it as the provider of services under this Agreement. Client shall comply with all laws, enactments, orders and regulations applicable to it as the recipient and user of services under this Agreement.

4.2. No Infringement. FIS shall indemnify and defend Client against any third-party claim asserting that the Solution, as and when made available to Client by FIS and when properly used for the purpose and in the manner specifically authorized by this Agreement, infringes upon (i) any patent issued as of the date of this Agreement by a country that is a signatory to the Paris Convention, (ii) any copyright of any country that is a member of the Berne Convention as of the date of this Agreement, or (iii) any trade secret or other proprietary right of any Person (collectively, “**IP Rights**”). FIS shall have no obligation under this Section 4.2 unless Client promptly gives notice to FIS within ten (10) days after the date Client first receives notice of the applicable infringement claim (provided that later notice shall relieve FIS of its liability and obligations under this Section 4.2 only to the extent that FIS is prejudiced by such later notice) and allows FIS to have sole control of the defense or settlement of the claim. Client may monitor any such litigation or proceeding at its expense, using counsel of its choosing. The remedies provided in this Section 4.2 are the sole remedies for a claim of infringement or misappropriation hereunder. If any applicable infringement claim is initiated, or in FIS’ sole opinion is likely to be initiated, then FIS may at its option and expense:

- (a) modify or replace all or the allegedly infringing part of the Solution so that it is no longer allegedly infringing, provided that the functionality does not change in any material adverse respect; or
- (b) procure for Client the right to continue using the allegedly infringing part of the Solution; or
- (c) remove all or the allegedly infringing part of the Solution, and (i) if Client has paid a one-time upfront initial license fee for the applicable Solution, refund to Client the corresponding portion of the license fee paid by Client to FIS for the applicable Solution, less a reasonable rental charge equal to one-sixtieth (1/60) of the initial license fee for each month of use following the Order Effective Date, or (ii) if Client is paying for the use of the Solution on a recurring basis, refund to Client the

corresponding portion of the unused recurring fee(s) paid by Client to FIS for the applicable Solution, and in each such case this Agreement shall terminate with respect to the Solution or part thereof removed.

4.3. Harmful Code. Using a recent version of a reputable virus-checking product (to the extent commercially available), FIS will check the Solution, as well as any systems used to deliver the Solution, for any viruses, worms or similar harmful code ("**Harmful Code**") and will use commercially reasonable efforts to eliminate any such Harmful Code that FIS discovers.

4.4. Exclusion for Unauthorized Actions. FIS is not liable under any provision of this Agreement for any performance problem, claim of infringement or other matter to the extent attributable to any unauthorized or improper use or modification of the Solution by or on behalf of Client, any unauthorized combination of the Solution with other software or services (other than as specified in the Specified Configuration), any use of any version of the Solution other than the Supported Release, a failure to subscribe to ongoing support services if then offered for the Solution, any Third-Party Data or Services, any Third-Party Software or Open Source Software (except as set forth in Sections 4.11 and 4.12), any wrongful act or omission by Client, its Affiliates or its customers or any breach of this Agreement by Client.

4.5. Conditions of Use. To the extent that Third-Party Users are permitted to have access to the Solution: (i) Client represents and warrants to FIS, its Third-Party Providers, agents, successors and assigns and their respective employees (collectively, the "**Indemnified Group**") that agreements between it and Third-Party Users expressly provide, and covenants that all such agreements will provide, that none of the Indemnified Group have or will have any liability in any circumstances with respect to any services offered by Client to the Third-Party Users ("**Client Services**"), including with respect to the data and information provided to the Third-Party Users as part of the Client Services; and (ii) Client shall indemnify and defend the Indemnified Group from and against any of the following: any and all claims, liabilities and obligations (including reasonable lawyers' fees) by any third party, including Third-Party Users, against the Indemnified Group and arising out of Client's or Third-Party Users use of the Solution, Third-Party Data or the Documentation with respect to the Client Services.

4.6. Force Majeure. Neither party shall be liable for, nor shall either party be considered in breach of this Agreement due to, any failure to perform its obligations under this Agreement (other than its payment obligations, which shall be suspended only for so long as the force majeure event renders Client unable by any means to transmit payments when due hereunder) as a result of a cause beyond its control, including any act of God or a public enemy or terrorist, act of any military, civil or regulatory authority, change in any law or regulation, fire, flood, earthquake, storm or other like event, theft or criminal misconduct by unrelated third parties, disruption or outage of communications (including the Internet or other networked environment), power or other utility, unavailability of supplies or any other cause, whether similar or dissimilar to any of the foregoing, which could not have been prevented by the non-performing party with reasonable care.

4.7. Disclaimer. EXCEPT AS STATED IN SECTIONS 4, 6.5 AND 9.6, THE SOLUTION, DOCUMENTATION AND SERVICES ARE PROVIDED "AS IS," AND ALL OTHER REPRESENTATIONS, WARRANTIES, TERMS OR CONDITIONS, ORAL OR WRITTEN, EXPRESS OR IMPLIED, ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF

TRADE, QUALITY OF INFORMATION, QUIET ENJOYMENT OR OTHERWISE (INCLUDING IMPLIED WARRANTIES, TERMS OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INTERFERENCE, OR NON-INFRINGEMENT) ARE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, EXCLUDED FROM THIS AGREEMENT.

4.8. Limitations Cap. EACH PARTY'S TOTAL LIABILITY UNDER THIS AGREEMENT SHALL UNDER NO CIRCUMSTANCES EXCEED THE LIABILITY CAP.

4.9. Consequential Damage Exclusion. UNDER NO CIRCUMSTANCES SHALL EITHER PARTY (OR ANY OF ITS AFFILIATES PROVIDING OR RECEIVING THE SOLUTION, SERVICES OR OTHER SOFTWARE UNDER THIS AGREEMENT) BE LIABLE TO THE OTHER OR ANY OTHER PERSON FOR LOSSES OR DAMAGES WHICH FALL INTO ANY OF THE FOLLOWING CATEGORIES: (a) LOST REVENUES, (b) LOST PROFITS, (c) LOSS OF BUSINESS, (d) TRADING LOSSES, (e) INACCURATE DISTRIBUTIONS OR (f) ANY INCIDENTAL, INDIRECT, EXEMPLARY, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES OF ANY KIND, INCLUDING ANY OF THE FOREGOING LOSSES OR DAMAGES RESULTING FROM CLIENT'S USE OF THE SOLUTION OR SERVICES PROVIDED HEREUNDER, OR ARISING FROM ANY BREACH OF THIS AGREEMENT OR ANY TERMINATION OF THIS AGREEMENT, WHETHER SUCH LIABILITY IS ASSERTED ON THE BASIS OF CONTRACT, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE AND WHETHER OR NOT FORESEEABLE, EVEN IF THE RELEVANT PARTY HAS BEEN ADVISED OR WAS AWARE OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES. FOR PURPOSES OF CLARIFICATION, THE FOLLOWING SHALL BE DEEMED "DIRECT DAMAGES" AS BETWEEN CLIENT AND FIS FOR THE PURPOSES OF THIS AGREEMENT (i) ANY AND ALL DAMAGES, INCLUDING CONSEQUENTIAL AND SIMILAR DAMAGES, AWARDED TO A THIRD PARTY FOR WHICH INDEMNIFICATION IS PROVIDED BY A PARTY UNDER SECTIONS 4.2, 4.5, 6.7 OR 8.4; (ii) CLIENT'S OUT-OF-POCKET COSTS TO NOTIFY AFFECTED PERSONS AND/OR PAY FOR CREDIT MONITORING SERVICES FOR SUCH PERSONS FOR A ONE-YEAR PERIOD INCURRED AS A RESULT OF FIS' BREACH OF SECTION 5.

4.10. Exceptions. THE LIMITATIONS AND EXCLUSIONS SET FORTH IN SECTIONS 4.8 AND 4.9 SHALL NOT APPLY TO: (a) BREACHES OF THE SCOPE OF USE; (b) FAILURE TO PAY FEES WHEN DUE; (c) DAMAGES CAUSED BY EITHER PARTY'S FRAUD OR WILLFUL MISCONDUCT; (d) A PARTY'S LIABILITY FOR DEATH OR PERSONAL INJURY DUE TO THAT PARTY'S NEGLIGENCE; OR (e) A PARTY'S LIABILITY FOR DAMAGES TO THE EXTENT THAT SUCH LIMITATION OR EXCLUSION IS NOT PERMITTED BY APPLICABLE LAW. THE LIMITATIONS SET FORTH IN SECTION 4.8 DO NOT APPLY TO CLAIMS FOR WHICH INDEMNIFICATION IS PROVIDED BY A PARTY UNDER SECTIONS 4.2, 4.5, 6.7 OR 8.4.

4.11. Third-Party Software. FIS shall use reasonable efforts to provide Client the benefit of all indemnities and warranties granted to FIS by the licensor(s) of the Third-Party Software, to the extent possible without additional cost to FIS, as and if permitted by FIS' agreement with the licensor of the Third-Party Software, and to the extent such warranties and indemnities pertain to Client's use of the Third-Party Software hereunder. In the event of any defect in any Third-Party Software (in the form delivered by FIS and when properly used for the purpose and in the manner specifically authorized by this Agreement), FIS will use commercially reasonable efforts to replace or correct the Third-Party Software without charge. If FIS complies with this provision, it shall face

no further liability with respect to any defect in any Third-Party Software.

4.12. Open Source Software Components. The Solution may utilize Open Source Software, including that Open Source Software identified in the Documentation or on the ongoing support services website for the Solution. The Open Source Software is licensed under the terms of the open source license that accompanies or is made available with such Open Source Software, including via a website designated by FIS. Nothing in this Agreement limits Client's rights under, or grants Client rights that supersede, the terms and conditions of any applicable license for such Open Source Software. Open Source Software shall not be deemed to be part of the Solution under this Agreement and FIS shall have no liability relating to such Open Source Software; provided, however, that FIS shall be responsible for fixing Errors caused by the Open Source Software to the same extent as FIS' ongoing support obligations as set forth in Sections 8.6 and 9.4 of this Agreement.

4.13. Open Negotiation. Client and FIS have freely and openly negotiated this Agreement, including the pricing, with the knowledge that the liability of the parties is to be limited in accordance with the provisions of this Agreement.

4.14. Other Limitations. The warranties made by FIS in this Agreement, and the obligations of FIS under this Agreement, run only to Client and not to its Affiliates, its customers or any other Persons. Under no circumstances shall any Affiliate or customer of Client or any other Person be considered a third-party beneficiary of this Agreement or otherwise entitled to any rights or remedies under this Agreement (including any right to be consulted in connection with any variation or rescission of the Agreement agreed between FIS and Client), even if such Affiliates, customers or other Persons are provided access to the Solution or data maintained in the Solution via the Internet or other networked environment. Except to the extent specified in an Order, FIS shall not be deemed Client's official record keeper for regulatory or other purposes and shall have no obligation to retain any records or data on Client's behalf after termination or expiration of this Agreement.

5. Confidentiality, Security, Ownership and Use Restrictions.

5.1. Confidentiality. The party receiving Confidential Information ("**Receiving Party**") of the other ("**Disclosing Party**") shall not, and shall cause its Authorized Recipients not to, use Confidential Information for any purpose except as necessary to implement, perform or enforce this Agreement. Receiving Party will use the same reasonable efforts to protect the Confidential Information of Disclosing Party as it uses to protect its own proprietary information and data. Prior to disclosing the Confidential Information to its Authorized Recipients, Receiving Party shall inform them of the confidential nature of the Confidential Information and require them to abide by the terms of this Agreement. Receiving Party will promptly notify Disclosing Party if Receiving Party discovers any improper use or disclosure of Confidential Information and will promptly commence all reasonable efforts to investigate and correct the causes of such improper use or disclosure. If Receiving Party believes the Confidential Information must be disclosed under applicable law, Receiving Party may do so provided that, to the extent permitted by law, the other party is given a reasonable opportunity to contest such disclosure or obtain a protective order.

5.2. Security.

(a) FIS will implement commercially reasonable administrative, technical and physical safeguards designed to: (i) ensure the security

and confidentiality of Client Data; (ii) protect against any anticipated threats or hazards to the security or integrity of Client Data; and (iii) protect against unauthorized access to or use of Client Data. FIS will review and test such safeguards on no less than an annual basis.

(b) If Client makes the Solution or data maintained by the Solution accessible through the Internet or other networked environment, Client shall be solely responsible for all aspects of Internet use, and shall maintain, in connection with the operation or use of the Solution, adequate technical and procedural access controls and system security requirements and devices, necessary for data privacy, confidentiality, integrity, authorization, authentication and non-repudiation and virus detection and eradication.

(c) To the extent that Third-Party Users are permitted to have access to the Solution, Client shall maintain agreements with such Third-Party Users that adequately protect the confidentiality and intellectual property rights of FIS in the Solution and Documentation, and disclaim any liability or responsibility of FIS with respect to such Third-Party Users.

5.3. Personal Data. If FIS processes or otherwise has access to any personal data or personal information on Client's behalf when performing FIS' obligations under this Agreement, then: (i) Client shall be the data controller (where "**data controller**" means an entity which alone or jointly with others determines purposes for which and the manner in which any personal data are, or are to be, processed) and FIS shall be a data processor (where "**data processor**" means an entity which processes the data only on behalf of the data controller and not for any purposes of its own); (ii) Client shall ensure that it has obtained all necessary consents and it is entitled to transfer the relevant personal data or personal information to FIS so that FIS may lawfully use, process and transfer the personal data and personal information in accordance with this Agreement on Client's behalf, which may include FIS processing and transferring the relevant personal data or personal information outside the country where Client and the Authorized Users are located in order for FIS to provide the Solution and perform its other obligations under this Agreement; (iii) FIS shall process the personal data and personal information only in accordance with any lawful and reasonable instructions given by Client from time to time as set out in and in accordance with the terms of this Agreement; and (iv) each party shall take appropriate technical and organizational measures against unauthorized or unlawful processing of the personal data and personal information or its accidental loss, destruction or damage so that, having regard to the state of technological development and the cost of implementing any measures, the measures taken ensure a level of security appropriate to the harm that might result from such unauthorized or unlawful processing or accidental loss, destruction or damage in relation to the personal data and personal information and the nature of the personal data and personal information being protected. If necessary, the parties will cooperate to document these measures taken.

5.4. FIS Solution Details. The FIS Solution Details are trade secrets and proprietary property of FIS or its licensors, having great commercial value to FIS or its licensors. Title to all FIS Solution Details and all related intellectual property and other ownership rights shall be and remain exclusively with FIS or its licensors, even with respect to such items that were created by FIS specifically for or on behalf of Client. FIS and its Affiliates may freely use Feedback without attribution or the need for FIS, its Affiliates or any third party to pay Client or any third party any

royalties or other fees of any kind. This Agreement is not an agreement of sale, and no intellectual property or other ownership rights to any FIS Solution Details are transferred to Client by virtue of this Agreement. All copies of FIS Solution Details in Client's possession shall be deemed to be on loan to Client during the term of this Agreement.

5.5. Use Restrictions. Except to the extent specifically authorized by this Agreement, Client shall not, shall not attempt to, and shall not permit any other Person under its reasonable control to: (a) use any FIS Solution Detail for any purpose, at any location or in any manner not specifically authorized by this Agreement; (b) make or retain any Copy of any FIS Solution Detail; (c) create or recreate the source code for the Solution, or re-engineer, reverse engineer, decompile or disassemble the Solution except to the extent specifically permitted by applicable law; (d) modify, adapt, translate or create derivative works based upon the Solution or Documentation, or combine or merge any part of the Solution or Documentation with or into any other software or documentation except to the extent specifically permitted by applicable law; (e) refer to, disclose or otherwise use any FIS Solution Detail as part of any effort either (i) to develop a program having any functional attributes, visual expressions or other features similar to those of the Solution or (ii) to compete with FIS; (f) remove, erase or tamper with any copyright or other proprietary notice printed or stamped on, affixed to, or encoded or recorded in any FIS Solution Detail, or fail to preserve all copyright and other proprietary notices in any Copy of any FIS Solution Detail made by Client; (g) sell, market, license, sublicense, distribute or otherwise grant to any Person, including any outsourcer, vendor, sub-contractor, consultant or partner, any right to use any FIS Solution Detail or allow such other Person to use or have access to any FIS Solution Detail, whether on Client's behalf or otherwise; or (h) use the Solution to conduct any type of application service provider, service bureau or time-sharing operation or to provide remote processing, network processing, network telecommunications or similar services to any Person, whether on a fee basis or otherwise.

5.6. Notice and Remedy of Breaches. Each party shall promptly give notice to the other of any actual or suspected breach by it of any of the provisions of this Section 5, whether or not intentional, and the breaching party shall, at its expense, take all steps reasonably requested by the other party to prevent or remedy the breach.

5.7. Enforcement. Each party acknowledges that any breach of any of the provisions of this Section 5 may result in irreparable injury to the other for which money damages would not adequately compensate. If there is a breach, then the injured party shall be entitled, in addition to all other rights and remedies which it may have, to have a decree of specific performance or an injunction issued by any competent court, requiring the breach to be cured or enjoining all Persons involved from continuing the breach.

6. Professional Services.

6.1. Professional Services. An Order may identify certain Professional Services. In addition, at Client's reasonable request and subject to the availability of FIS' personnel, FIS shall provide to Client other Professional Services requested by Client in accordance with a fully executed Professional Services Order.

6.2. Professional Services Fees. Client shall pay to FIS the professional services fees stated on the Order. In each case where professional services fees are not specified on the Order, then the fees for such services shall be based upon FIS' then standard professional

services fee rates. FIS' standard professional services fee rates in effect on the Order Effective Date are stated on the Order and are subject to increase in the ordinary course of business.

6.3. Expense Reimbursements. Client shall reimburse FIS for reasonable travel, living and other out-of-pocket expenses incurred by FIS personnel in connection with all services, including, but not limited to, Professional Services and maintenance and support rendered by FIS. Reimbursable expenses shall be incurred by FIS personnel in accordance with FIS' then current per diem travel policy, a copy of which will be furnished at Client's request. FIS shall invoice Client for reimbursement of these expenses on a monthly basis, as incurred.

6.4. Cooperation and Access to Facilities, Data and Employees. To the extent reasonably necessary for FIS to perform its obligations under this Agreement, Client shall provide to FIS access to Client's location site, equipment, data and employees, and shall otherwise cooperate with FIS in its performance hereunder, all as reasonably necessary for FIS to perform its obligations under this Agreement.

6.5. Professional Services Warranty. FIS warrants to Client that Professional Services will be performed in a good and workmanlike manner by qualified personnel, subject to Section 6.4. FIS shall have no liability under this Section 6.5 unless, within thirty (30) days after the actual date of the particular Professional Services, FIS receives notice from Client describing the breach of this warranty, together with adequate supporting documentation and data. Upon receipt of any such notice, FIS' only obligation under this Section 6.5 is to remedy the breach and reperform the particular Professional Services affected as soon as reasonably practical at no additional charge.

6.6. Compliance with Client Policies. While FIS personnel are performing services at Client's site, FIS will ensure that such personnel comply with Client's reasonable security procedures and site policies that are generally applicable to Client's other suppliers providing similar services and that have been provided to FIS in writing and in advance. Client shall promptly reimburse FIS for any out-of-pocket costs incurred in complying with such procedures and policies.

6.7. Contributed Material. In the process of FIS' performing Professional Services, Client may, from time to time, provide FIS with designs, plans, or specifications, improvements, works or other material for inclusion in, or making modifications to, the Solution, the Documentation or any other deliverables ("**Contributed Material**"). Client grants to FIS a nonexclusive, irrevocable, perpetual, transferable right, without the payment of any royalties or other compensation of any kind and without the right of attribution, for FIS, FIS' Affiliates and FIS' licensees to make, use, sell and create derivative works of the Contributed Material. Client shall indemnify and defend FIS against any third-party claim asserting that Client does not have the full legal right (including any moral rights) to grant to FIS such rights to use the Contributed Material and/or that the Contributed Material in the form delivered to FIS infringes upon any IP Rights.

7. Term and Termination.

7.1. Order Term. The Order may state an initial term for the use of the Solution ("**Initial Term**") and may state renewal terms (each a "**Renewal Term**"). "**Order Term**" means the Initial Term together with any Renewal Terms.

7.2. Termination. Either party may terminate this Agreement by giving notice of termination to the other party if the other party

breaches any of its material obligations (other than Client's failure to pay Support Fees during a Renewal Support Term) under this Agreement and does not cure the breach within thirty (30) days after receiving notice describing the breach in reasonable detail.

7.3. Effect of Termination. The provisions of Sections 3, 4, 5, 7.3 and 11 shall survive any termination of this Agreement, whether under this Section 7 or otherwise. Client shall be liable for all payments due to FIS for the period ending on the date of termination. Upon a termination of this Agreement, whether under this Section 7 or otherwise, or upon the expiration or termination of an Order Term, Client shall: (i) discontinue all use of the affected Solution and Documentation, (ii) promptly return to FIS all copies of the affected Solution and Documentation and any other affected FIS Solution Details then in Client's possession; and (iii) give notice to FIS certifying that all copies of such items have been permanently deleted.

8. Terms Applicable To SaaS, ASP and Hosting.

The following provisions in this Section 8 apply solely to Hosting Services and to Orders for an ASP Solution or SaaS Solution.

8.1. SaaS, ASP and Hosting. FIS shall provide the Hosting Services and/or access to the ASP Solution or SaaS Solution, as described and for the term specified on the Order.

8.3. Passwords and Solution Access. If FIS provides Client or its Authorized Users with unique access codes to access the Solution (each, a "Password"), Client shall hold any such Passwords in strict confidence and shall not assign, share, misuse or abuse the Passwords or attempt to render ineffective the password protection of the Solution. If Client suspects or learns that a Password is being used to gain unauthorized access to the Solution, Client will immediately notify FIS so that it can change, or assist Client in changing, the applicable Password. To the extent the Solution is within FIS' network, FIS may suspend access to the Solution without advance notice if FIS reasonably believes the Solution is being used or accessed in an unauthorized, illegal or disruptive manner, provided that FIS will promptly notify Client of any such event.

8.4. Client Data.

(a) Client shall supply, or cause to be supplied, all Client Supplied Data. Client shall transmit the Client Supplied Data to FIS by communications link or in another manner described on the Order. As between FIS and Client, Client shall be responsible for ensuring that the Client Supplied Data is accurate and complete. Client represents and warrants to FIS that Client has the full legal right for Client and FIS, its affiliates and agents to use the Client Supplied Data for processing hereunder. Client shall indemnify and defend FIS, its affiliates and agents against any third-party claim alleging breach of the foregoing warranty.

(b) Within thirty (30) days after termination of Hosting Services or of an Order for an ASP Solution or SaaS Solution, Client shall give FIS an instruction notice regarding the disposition of any tapes, data, files and other property belonging to Client and then in FIS' possession. To the extent practicable and at Client's expense after receipt of such notice, FIS shall use commercially reasonable efforts to comply with the notice, including converting the data on the Solution to machine-readable form. FIS may retain such property until FIS receives all payments due to FIS under that Order. If Client fails to give that notice within thirty (30) days after such termination, then FIS may dispose of such property in a commercially reasonable manner.

(c) In order to improve FIS' product and service offerings for its customers, FIS may maintain a database of information residing on the Solution. FIS and its affiliates may use and distribute such data in an aggregated and de-identified format, including as a part of the development, distribution and licensing of any FIS product or service offering.

8.5. Regulatory Access. To the extent permitted by law, each party will notify the other promptly of any formal request by an authorized governmental agency or regulator to examine Client Data or other records, if any, regarding Client that are maintained in FIS facilities under this Agreement. Client will reimburse FIS for the reasonable out-of-pocket costs FIS incurs, and for time spent, in making such Client Data or other records, if any, available for examination and audit by the governmental agency or regulatory authority that has jurisdiction over Client's business.

8.6. Support. FIS shall provide to Client the ongoing support services as described in the Order.

8.7. Data Backup and Disaster Recovery. If the Solution maintains a database then, unless otherwise stated on the Order:

(a) FIS shall electronically backup the Client Data accordance with the backup cycle defined in the Order (and if no backup cycle is defined, at reasonable intervals); and

(b) FIS shall maintain a disaster recovery plan which includes a procedure for the restoration of Client's production environment at an alternate facility in the event of a disaster. FIS' disaster recovery plan shall be tested at least once each calendar year.

8.8. Interruption to Solution. From time to time, FIS shall be entitled (at its discretion, without incurring liability for so doing) to interrupt the Solution to: (i) perform repairs and other maintenance and install enhancements on FIS' equipment, software and/or other systems that are required for the provision of the Solution, or (ii) make adjustments to its infrastructure (including, for example, in relation to resources shared by its other customers) and thereby cause a disruption in the provision of the Solution. Except in the case of emergency repairs, maintenance or adjustments, FIS will (a) give Client reasonable prior notice of the interruption; (b) limit such interruptions to outside of FIS' normal business hours; and (c) use commercially reasonable efforts to minimize the impact of the interruption.

8.9. Harmful Code. Using a recent version of a reputable virus-checking product (to the extent commercially available), Client will check the Specified Configuration for Harmful Code and ensure no Harmful Code is introduced by its end users or from its systems into any systems used in the Solution and will use commercially reasonable efforts to eliminate any such Harmful Code that either Client or FIS discovers.

8.10. Volume Increases. Client shall give notice to FIS whenever Client intends to materially increase the volume of data to be processed on the Solution. Any such increase that results in an increase beyond the Scope of Use requires an additional executed Order and the payment of additional fees.

9. Terms Applicable to Software Licenses.

The following provisions in this Section 9 apply solely to an Order that provides the right for Client to install the Solution at the facility identified on the Order.

9.1. Grant. Except as otherwise provided in an Order, FIS grants to Client a non-transferable, non-exclusive, term license to use the Solution in accordance with this Agreement and the Scope of Use. The Solution shall be installed in object code form only at Client's location(s) listed on the Order ("**Designated Location(s)**"). Client may, subject to Section 11.4, use or access the Solution at or from Client locations worldwide. Client may change a Designated Location by giving prompt notice thereof to FIS. Client may copy and use the Solution installed at the Designated Location for inactive back-up and disaster recovery purposes. Client may copy the Documentation to the extent reasonably necessary for use of the Solution under this Agreement.

9.2. Initial Installation. FIS shall deliver to Client the initial Copies of the Solution stated on the Order by supplying such initial Copies (a) by physical shipment, such as on a disc or other media, or (b) by electronic delivery, such as by posting it on FIS' network for downloading. Physical shipment is on F.O.B. terms, FIS' shipping point and electronic delivery is deemed effective at the time FIS provides Client with access to download the Solution. The date of such delivery shall be referred to as the "**Delivery Date**." Client shall install the Solution at the Designated Location(s) on or before the scheduled installation date stated on the Order ("**Scheduled Installation Date**"). If a Scheduled Installation Date is not specified on the Order, Client shall install the Solution within thirty (30) days after the Delivery Date.

9.3. Acceptance. If the Solution is specified in the Order as being subject to acceptance testing, then the following terms apply:

(a) Client is deemed to have accepted the Solution at the end of the Acceptance Period, unless during that period, the Solution fails to perform in accordance with the Documentation in some material respect that precludes acceptance of the Solution by Client, and, by the end of the Acceptance Period, Client gives notice of non-acceptance to FIS describing the material failure in reasonable detail and explaining why the failure precludes acceptance of the Solution by Client. If Client gives a proper notice of non-acceptance to FIS, then:

i. FIS shall investigate the reported failure. Client shall provide to FIS reasonably detailed documentation and explanation, together with underlying data, to substantiate the failure and to assist FIS in its efforts to diagnose and correct the failure.

ii. If there was no material failure to perform or the failure to perform was not attributable to a defect in the Solution or an act or omission of FIS, then FIS shall give notice to Client explaining that determination in reasonable detail, and Client shall be deemed to have accepted the Solution as of the date of FIS' notice.

iii. If there was a material failure to perform that was attributable to a defect in the Solution or an act or omission of FIS, and if FIS cannot correct the failure within thirty (30) days (or such longer period as may be reasonable under the circumstances) after receipt of Client's notice of non-acceptance, then Client shall promptly return to FIS all copies of the Solution and Documentation and any other items delivered to Client by FIS, and as Client's sole and exclusive remedy, FIS shall then refund to Client the license fee paid by Client. If, within such period, FIS does correct the failure, then FIS shall give notice to Client certifying that the failure has been corrected, and another thirty (30) day acceptance period shall begin from the date of such notice in accordance with this Section 9.3.

(b) If Client has not accepted the Solution under Section 9.3(a), then notwithstanding any of the provisions of Section 9.3(a), Client shall be

deemed to have accepted the Solution on the first day that Client uses the Solution in a live production environment or as Client's system of record.

(c) The first date on which Client is deemed to have accepted the Solution under Section 9.3(a) or under Section 9.3(b) is referred to as the "**Acceptance Date**".

9.4. Support. Beginning on the Order Effective Date and continuing for the duration of the initial support term set forth on the Order ("**Initial Support Term**"), FIS shall provide the ongoing support services described in that Order; and Client shall pay to FIS support fees stated on such Order ("**Support Fees**"). Upon expiration of the Initial Support Term, the ongoing support services shall automatically renew and Client shall be obligated to pay the Support Fees for additional annual support periods (each a "**Renewal Support Term**"), until the earlier of:

(a) a party giving the other notice of its intent to terminate ongoing support services (in accordance with Section 11.1) at least sixty (60) days before the end of the Initial Support Term or Renewal Support Term, as applicable, provided that FIS shall not provide such notice of support termination if such termination would be effective prior to whichever is the later of (i) the fifth (5th) anniversary of the Order Effective Date; or (ii) the date which falls at the end of the period equal to two (2) times the Initial Support Term; or

(b) termination of this Agreement.

On an annual basis FIS may increase the Support Fees payable, provided that the annual percentage increase in the Support Fees shall not exceed the limitation described on the Order.

9.5. Support Termination. Upon the effective date of termination of ongoing support services by either party or at any time when Client has failed to pay Support Fees ("**Support Termination Date**"): (i) FIS shall discontinue providing all ongoing support services, including FIS' obligations under Section 9.4; (ii) any FIS warranties under this Agreement shall cease to apply for the period after the Support Termination Date; and (iii) FIS shall not be liable for Client's use of the Solution after the Support Termination Date, except for FIS' indemnification obligations for any third-party claims covered by Section 4.2 that arose prior to the Support Termination Date (but only to the extent such claim would not have been remedied by a Release made available by FIS after the Support Termination Date).

9.6. Software Warranty. FIS warrants to Client that, for a period of thirty (30) days from the Scheduled Installation Date, the Solution (as delivered to Client by FIS and when properly used for the purpose and in the manner specifically authorized by this Agreement), will perform as described in the Documentation in all material respects. FIS' sole obligation and liability under this warranty is to comply with the provisions of Section 9.4 of this Agreement.

9.7. Escrow of Source Code. If stated on the Order, then within a reasonable time after the first day that Client uses the Solution in a live production environment FIS shall arrange, for the benefit of Client (and Client shall execute any documents required to receive such benefit), an escrow of the Solution source code with an escrow agent nominated by FIS ("**Escrow Agent**"), in accordance with FIS' standard escrow agreement ("**Escrow Agreement**"). The source code for the Solution may be released from escrow, in accordance with the terms and conditions specified in the Escrow Agreement. Client shall pay all fees due to the Escrow Agent as a result of such escrow. Client acknowledges

that the Escrow Agreement shall be deemed null and void and of no effect and that neither FIS nor the Escrow Agent shall be under any further obligation with respect to such escrow arrangement from whichever is the earlier of: (i) the date Client fails to pay the escrow fees when due; or (ii) the Support Termination Date.

9.8. Remote Access of Installed Software. Provided that FIS performs such services in accordance with the confidentiality provisions of this Agreement, Client shall permit FIS, at FIS' option, to remotely access the Solution installed at the Designated Location for the purpose of providing ongoing support services to Client under Section 9.4 and otherwise implementing the purposes of this Agreement. In remotely accessing such Solution, FIS will comply with Client's reasonable security procedures and company policies that have been provided to FIS in writing. Client shall promptly reimburse FIS for any out-of-pocket costs incurred in complying with such procedures and policies.

9.9. Backup. Client acknowledges that it is the best judge of the value and importance of the data held on Client's systems and that Client shall be solely responsible for maintaining secure and complete back-up copies of all data that Client processes using the Solution, which data will be backed-up on not less than a daily basis and which will be readily available on machines controlled by Client to facilitate the prompt restoration of such data in the event of any loss of or damage to it. FIS shall have no liability for any loss or damage caused by Client's failure to maintain such backed-up copies.

9.10. Audit. At FIS' expense and upon written request with reasonable notice, Client will permit FIS, its personnel or its outside auditors to enter the relevant Client locations during normal business hours and audit the number of copies of the Solution and Documentation in Client's possession and information pertaining to Client's compliance with this Agreement. Such audits shall not occur more than once in any twelve (12) month period (unless FIS believes, in good faith, that there has been a breach of this Agreement by Client) and shall be performed in a manner not to disrupt Client's business and operations and will respect the confidentiality of Client, its suppliers and customers. Client will, in a timely manner, reasonably cooperate with the auditors and provide the auditors all assistance as they may reasonably request in connection with the audit. Client may require auditors acting on behalf of FIS to execute reasonable confidentiality agreements and comply with Client's reasonable security requirements, but this requirement will not apply to FIS' internal auditors otherwise bound by the confidentiality conditions of this Agreement.

10. Third-Party Data and Services.

10.1. Ancillary Services. FIS shall provide the Third-Party Data and Services originating with a Third-Party Provider, as described and for the term specified on the Order.

10.2. Third-Party Providers. Client acknowledges and agrees that the Third-Party Data and Services provided under this Agreement contain information obtained, selected and consolidated by the Third-Party Providers under the authority of the Third-Party Providers, that Client's use of the Third-Party Data and Services is authorized and regulated by the Third-Party Providers and further that the Third-Party Providers may require to be provided with information and data about Client and the Third-Party Users in connection with their provision of Third-Party Data and Services. Client also acknowledges that the Third-Party Providers may modify the Third-Party Data and Services, or discontinue availability of Third-Party Data and Services or modify the rules concerning the

availability of and the applicable fees, costs and expenses for any of the Third-Party Data and Services, in which case neither FIS nor the Third-Party Providers shall be held responsible for such modification and discontinuance. Any changes required by the Third-Party Providers shall be made a part of this Agreement by FIS' notice of any such changes to Client. For a thirty (30) day period after receiving such notice from FIS, Client may reject such changes and terminate the affected Third-Party Data and Service by notice to FIS. If such notice is not received by FIS within such thirty (30) day period, this Agreement shall be modified by such changes, and shall remain in full force and effect.

10.3. Third-Party Provider Notices.

(a) Client acknowledges that FIS is required to display certain notices and agreements and to report certain data related to Client's use of the Third-Party Data and Services to the Third-Party Providers. To enable FIS to meet its obligation in this regard, Client shall inform FIS, in writing, whenever its display of notices or utilization of any information derived from the Third-Party Data and Services changes.

(b) The notices and agreements required to be displayed as of the Order Effective Date are set forth on the Order. Client shall display all such notices and agreements in the exact manner specified by FIS or a Third-Party Provider in writing or as set forth in this Agreement. Client acknowledges and agrees that the number and content of such notices, as well as other terms and conditions, may be changed from time to time by the Third-Party Providers. Upon written notification of such changes by FIS to Client, the Order shall be deemed modified to include such changes and Client will update such notices.

(c) Client shall comply with all applicable laws and obtain all necessary consents from any person, including its employees and the Third-Party Users and their respective employees, if any, regarding the collection, use and distribution to FIS of any information or data regarding any Third-Party User and to the use by Client and the Third-Party Users of the Third-Party Data and Services for the purposes set forth in this Agreement. The information and data may include personal and other information about Client, its employees, the Third-Party Users and their employees, including their use of the Third-Party Data and Services. FIS may use this information and data to carry out its obligations under this Agreement, including the provision of such information to the Third-Party Providers under this Agreement or for its own internal purposes.

Any express assignment of this Agreement, any change in control of Client (or its Affiliate in the case of an assignment to that Affiliate under this Section 11.3(b) and any assignment by merger or otherwise by operation of law, shall constitute an assignment of this Agreement by Client for purposes of this Section 11.3(b) ("**Client Assignment**"). 11.6. Entire Understanding. This Agreement, which includes and incorporates the Order, and any other schedules, exhibits and addenda hereto states the entire understanding between the parties with respect to its subject matter, and supersedes all prior proposals, marketing materials, negotiations, representations (whether negligently or innocently made), agreements and other written or oral communications between the parties with respect to the subject matter of this Agreement. In the event of a conflict between the provisions of the FST and an Order incorporating the FST, the terms of such Order shall prevail. Any written, printed or other materials which FIS provides to Client that are not included in the Documentation are provided on an "as is" basis, without warranty, and solely as an accommodation to Client. In entering into this Agreement each party acknowledges and agrees that it has not relied on any express or implied representation, warranty, collateral contract or other assurance (whether negligently or innocently made), except those expressly set out in this Agreement. Each party waives all rights and remedies which, but for this Section 11.6, might otherwise be available to it in respect of any such representation (whether negligently or innocently made), warranty, collateral contract or other assurance. Nothing in this Agreement shall limit or exclude any liability for fraud or fraudulent misrepresentation.

11.7. Modification and Waiver. No modification of this Agreement, and no waiver of any breach of this Agreement, shall be effective unless in writing and signed by an authorized representative of the party against whom enforcement is sought. This Agreement may not be modified or amended by electronic means without written agreement of the parties with respect to formats and protocols. No waiver of any breach of this Agreement, and no course of dealing between the parties, shall be construed as a waiver of any subsequent breach of this Agreement.

11.8. Severability, Heading and Counterparts. A determination that any provision of this Agreement is invalid or unenforceable shall not affect the other provisions of this Agreement. Section headings are for convenience of reference only and shall not affect the interpretation of this Agreement. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

11.9. Personnel. Client acknowledges that: (a) FIS expends substantial time and money, on an ongoing basis, to recruit and train its programmers, trainers, data processing, customer support and professional services team personnel ("**FIS Personnel**"); (b) FIS' business is highly competitive, is marketed throughout the United States, Europe and in many other locations worldwide, and requires long sales lead times often exceeding one (1) year; and (c) if Client were to hire FIS Personnel, then FIS may suffer lost sales opportunities and would incur substantial time and money in hiring and training replacement(s) for those FIS Personnel. Accordingly, if Client, directly or through one or more subsidiaries or other controlled entities, hires any FIS Personnel at any time when such FIS Personnel is employed or engaged by FIS or during the six (6) months after such employment or engagement ends, then Client shall pay to FIS as liquidated damages (and not a penalty) an amount equal to twelve (12) months of such FIS Personnel's salary and other compensation (including bonus or commission payments) at the time of leaving his/her employment or engagement with FIS. Upon the reasonable request of Customer, FIS shall furnish Customer with a certificate of insurance as specified in this Agreement. Maintenance of insurance as specified in this Agreement shall in no way be interpreted as relieving or increasing FIS’ responsibilities or liabilities under this Agreement; and FIS may carry, at its own expense, such additional insurance as it deems necessary, including self-insurance.

11.11. Certification. FIS may issue (but not more than once per annum), and Client will promptly complete and return to FIS, requests certifying Client’s current and past compliance with the Scope of Use and the Export Laws.

11.12. Language. It is the express wish of the parties that this Agreement and all related documents be drawn up in English. C’est la volonté expresse des parties que la présente convention ainsi que tous les documents qui s’y rattachent soient rédigés en anglais.
