

SunGard Standard Terms

(NE ASIA)

These SunGard Standard Terms (“SST”) may be incorporated into one or more orders referencing these SST (each, an “Order”). Each Order, together with these SST, shall form a separate agreement (this “Agreement”), by and between the Person identified on the Order (“Your Company” or “Customer”) and the SunGard company identified on the Order (“SunGard” or “us”, “we”, “our,” and variations thereof), applicable to the proprietary solution identified on the Order (the “Solution”), as such Solution may be modified, revised and updated from time to time. Only the Customer and SunGard entities that execute the Order will be liable for the obligations under that Order. Each Order will specify its effective date (“Order Effective Date”).

1. Scope. Your Company may use the Solution only in the ordinary course of Your Company’s internal business operations for the benefit of Your Company and only in accordance with the terms on the Order, the Documentation, this Agreement, including the Scope of Use. Customer shall be liable for any breach of the terms of this Agreement by any persons given access to the Solution by Customer.

2. Specified Configuration. Your Company shall be responsible, at its expense, for procuring and maintaining the computer hardware, systems software and other items required for use of, or access to, the Solution, including those described in the Order and Documentation (the “Specified Configuration”) and for updating the Specified Configuration in accordance with our published updates. If not yet completed, Customer shall complete its procurement and installation of the Specified Configuration prior to the scheduled start of implementation. Customer shall devote all equipment, facilities, personnel and other resources reasonably necessary to begin using the Solution in production on a timely basis as contemplated by this Agreement and satisfy any Customer requirements necessary for SunGard to complete the professional services described in Section 6. SunGard shall not be responsible for any delays or additional fees and costs associated with Customer’s failure to timely perform its obligations under this Section 2.

3. Payments.

3.1. Fees. Customer shall pay to SunGard the fees stated in the Order, in accordance with the payment terms stated on the Order. SunGard shall invoice all other fees, as and when incurred. All invoices shall be sent to Customer’s address for invoices stated on the Order. Except as otherwise specified on the Order, Customer’s payments shall be due within thirty (30) days after the invoice date. A late payment fee at the rate of 12% per annum (or, if lower, the maximum rate permitted by applicable law) shall accrue on any amounts thirty (30) days past due and unpaid by Customer to SunGard, except for those portions of an invoice subject to a Good Faith Dispute. SunGard may increase any one or more of the fees and charges payable under this Agreement, unless otherwise stated in the Order. Except as provided in Section 4.2(c), all fees and other amounts paid by Customer under this Agreement are non-refundable.

3.2. Third-Party Fees. The fees payable by Customer to SunGard in accordance with this Section 3 do not include any applicable royalties, costs, expenses and/or fees that may be imposed by the Third-Party Providers for the Third-Party Data and Services provided in accordance with this Agreement. Customer shall be solely responsible for, and shall pay, all such third-party fees as and when directed by SunGard or the Third-Party Providers.

3.3. Taxes. The fees and other amounts payable by Customer to SunGard under this Agreement do not include any taxes, duties, levies, fees or similar charges of any jurisdiction (“Taxes”) that may be

assessed or imposed in connection with the transactions contemplated by this Agreement, excluding only taxes based upon SunGard’s net income. Customer shall directly pay any such Taxes assessed against it, and Customer shall promptly reimburse SunGard for any such Taxes payable or collectable by SunGard. If any withholding or deduction for or on account of tax is required by law to be made from any payment by Customer to SunGard under this Agreement, Customer will promptly notify SunGard and will (i) withhold or deduct such amount from the payment due to SunGard and promptly (and in any event no later than sixty (60) days following the date the applicable payment under this Agreement is due to SunGard) pay that tax to the relevant government agency, and (ii) promptly (and in any event no later than ninety (90) days following the date the applicable payment under this Agreement is due to SunGard) give SunGard an official receipt or other official document evidencing payment of the tax in order to allow SunGard to recover such tax credits from the US or other applicable tax authorities.

3.4. Certain Remedies for Non-payment. If Customer fails to pay to SunGard, within ten (10) days after SunGard makes written demand therefor, any past-due amount payable under this Agreement (including interest thereon) that is not the subject of a Good Faith Dispute, in addition to all other rights and remedies which SunGard may have, SunGard may, in its sole discretion and with further notice to Customer stating the suspension date, suspend performance of any or all of its obligations under this Agreement (other than Section 5) and SunGard shall have no liability for Customer’s use of the Solution until all past-due amounts and any applicable reinstatement fees are paid in full.

4. Warranties, Covenants and Limitations.

4.1. Compliance with Laws. SunGard shall comply with all laws, enactments, orders and regulations applicable to it as the provider of services under this Agreement. Customer shall comply with all laws, enactments, orders and regulations applicable to it as the recipient and user of services under this Agreement.

4.2. No Infringement. SunGard shall indemnify for any damages finally awarded for, and defend Customer against, any third-party claim asserting that the Solution, as and when made available to Customer by SunGard and when properly used for the purpose and in the manner specifically authorized by this Agreement, infringes upon (i) any patent issued as of the date of this Agreement by a country that is a signatory to the Paris Convention, (ii) any copyright of any country that is a member of the Berne Convention as of the date of this Agreement, or (iii) any trade secret or other proprietary right of any Person (collectively, “IP Rights”). SunGard shall have no obligation under this Section 4.2 unless Customer promptly gives notice to SunGard within ten (10) days after the date Customer first receives notice of the applicable infringement claim (provided that later notice

shall relieve SunGard of its liability and obligations under this Section 4.2 only to the extent that SunGard is prejudiced by such later notice) and allows SunGard to have sole control of the defense or settlement of the claim. Customer may monitor any such litigation or proceeding at its expense, using counsel of its choosing. The remedies provided in this Section 4.2 are the sole remedies for a claim of infringement or misappropriation hereunder. If any applicable infringement claim is initiated, or in SunGard's sole opinion is likely to be initiated, then if SunGard chooses, SunGard shall have the option, at its expense, to:

- (a) modify or replace all or the allegedly infringing part of the Solution so that it is no longer allegedly infringing, provided that the functionality does not change in any material adverse respect; or
- (b) procure for Customer the right to continue using the allegedly infringing part of the Solution; or
- (c) remove all or the allegedly infringing part of the Solution, and (i) if Customer has paid a one-time upfront initial license fee for the applicable Solution, refund to Customer the corresponding portion of the license fee paid by Customer to SunGard with respect to the applicable Solution, less a reasonable rental charge equal to one-sixtieth (1/60) of the initial license fee for each month of use following the Order Execution Date, or (ii) if Customer is paying for the use of the Solution on a recurring basis, refund to Customer the corresponding portion of the unused recurring fee(s) paid by Customer to SunGard with respect to the applicable Solution, and in each such case this Agreement shall terminate with respect to the Solution or part thereof removed.

4.3. Harmful Code. Using a recent version of a reputable virus-checking product, to the extent commercially available, SunGard will check the Solution, as well as any systems used to deliver the Solution, for any viruses, worms or similar harmful code (“Harmful Code”) and will use commercially reasonable efforts to eliminate any such Harmful Code that SunGard discovers.

4.4. Exclusion for Unauthorized Actions. SunGard shall have no liability under any provision of this Agreement with respect to any performance problem, claim of infringement or other matter to the extent attributable to any unauthorized or improper use or modification of the Solution by or on behalf of Customer, any unauthorized combination of the Solution with other software or services (other than as specified in the Specified Configuration), any use of any version of the Solution other than the Supported Release, a failure to subscribe to support services if then offered for the Solution, any Third-Party Product, any wrongful act or omission by Customer, its Affiliates or its customers or any breach of this Agreement by Customer.

4.5. Conditions of Use. Customer represents and warrants to SunGard, its Third-Party Providers, agents, successors and assigns and their respective employees (collectively, the “Indemnified Group”) that agreements between it and Third-Party Users expressly provide, and covenants that all such agreements will provide, that none of the Indemnified Group have or will have any liability in any circumstances with respect to any services offered to the Third-Party Users (“Customer’s Services”), including with respect to the data and information provided to the Third-Party Users as part of the Customer’s

Services. Customer shall indemnify and defend the Indemnified Group from and against any of the following: any and all claims, liabilities and obligations (including reasonable lawyers’ fees) by any third party, including Third-Party Users, against the Indemnified Group and arising out of Customer's or Third-Party Users use of the Solution, Third-Party Data or the Documentation with respect to the Customer’s Services.

4.6. Force Majeure. Neither party shall be liable for, nor shall either party be considered in breach of this Agreement due to, any failure to perform its obligations under this Agreement (other than its payment obligations, which shall be suspended only for so long as the force majeure event renders Customer unable by any means to transmit payments when due hereunder) as a result of a cause beyond its control, including any act of God or a public enemy or terrorist, act of any military, civil or regulatory authority, change in any law or regulation, fire, flood, earthquake, storm or other like event, theft or criminal misconduct by unrelated third parties, disruption or outage of communications (including the Internet or other networked environment), power or other utility, unavailability of supplies or any other cause, whether similar or dissimilar to any of the foregoing, which could not have been prevented by the non-performing party with reasonable care.

4.7. Disclaimer. EXCEPT AS EXPRESSLY STATED IN SECTIONS 4, 6.5 AND 9.6 OF THIS AGREEMENT, THE SOLUTION, DOCUMENTATION AND SERVICES ARE PROVIDED “AS IS,” AND ALL OTHER REPRESENTATIONS, WARRANTIES, TERMS OR CONDITIONS, ORAL OR WRITTEN, EXPRESS OR IMPLIED, ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE, QUALITY OF INFORMATION, QUIET ENJOYMENT OR OTHERWISE (INCLUDING IMPLIED WARRANTIES, TERMS OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INTERFERENCE, OR NON-INFRINGEMENT) ARE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, EXCLUDED FROM THIS AGREEMENT.

4.8. Limitations Cap. EACH PARTY’S TOTAL LIABILITY UNDER THIS AGREEMENT SHALL UNDER NO CIRCUMSTANCES EXCEED THE LIABILITY CAP.

4.9. Consequential Damage Exclusion. UNDER NO CIRCUMSTANCES SHALL EITHER PARTY (OR ANY OF ITS AFFILIATES PROVIDING OR RECEIVING SOFTWARE OR SERVICES UNDER THIS AGREEMENT) BE LIABLE TO THE OTHER OR ANY OTHER PERSON FOR LOSSES OR DAMAGES WHICH FALL INTO ANY OF THE FOLLOWING CATEGORIES: (a) LOST REVENUES, (b) LOST PROFITS, (c) LOSS OF BUSINESS, (d) TRADING LOSSES, (e) INACCURATE DISTRIBUTIONS OR (f) ANY INCIDENTAL, INDIRECT, EXEMPLARY, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES OF ANY KIND, INCLUDING ANY OF THE FOREGOING LOSSES OR DAMAGES RESULTING FROM CUSTOMER’S USE OF THE SOLUTION OR SERVICES PROVIDED HEREUNDER, OR ARISING FROM ANY BREACH OF THIS AGREEMENT OR ANY TERMINATION OF THIS AGREEMENT, WHETHER SUCH LIABILITY IS ASSERTED ON THE BASIS OF CONTRACT, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE AND WHETHER OR NOT FORESEEABLE, EVEN IF SUNGARD HAS BEEN ADVISED OR WAS AWARE OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES. FOR PURPOSES OF CLARIFICATION, THE FOLLOWING SHALL BE DEEMED “DIRECT DAMAGES” AS BETWEEN CUSTOMER AND SUNGARD FOR THE PURPOSES OF THIS AGREEMENT (i) ANY AND ALL DAMAGES,

INCLUDING WITHOUT LIMITATION CONSEQUENTIAL AND SIMILAR DAMAGES, AWARDED TO A THIRD PARTY FOR WHICH INDEMNIFICATION IS PROVIDED BY A PARTY UNDER SECTION 4.2, 4.5, 6.7 OR 8.3; (ii) CUSTOMER'S OUT-OF-POCKET COSTS TO NOTIFY AFFECTED PARTIES AND/OR PAY FOR CREDIT MONITORING SERVICES FOR SUCH PARTIES FOR A ONE-YEAR PERIOD INCURRED AS A RESULT OF SUNGARD'S BREACH OF SECTION 5.

4.10. Exceptions. THE LIMITATIONS AND EXCLUSIONS SET FORTH IN SECTIONS 4.8 AND 4.9 SHALL NOT APPLY TO: (a) BREACHES OF THE SCOPE OF USE; (b) FAILURE TO PAY FEES WHEN DUE; (c) DAMAGES CAUSED BY EITHER PARTY'S FRAUD OR WILLFUL MISCONDUCT; (d) A PARTY'S LIABILITY FOR DEATH OR PERSONAL INJURY DUE TO THAT PARTY'S NEGLIGENCE; OR (e) A PARTY'S LIABILITY FOR DAMAGES TO THE EXTENT THAT SUCH LIMITATION OR EXCLUSION IS NOT PERMITTED BY APPLICABLE LAW. THE LIMITATIONS SET FORTH IN SECTION 4.8 DOES NOT APPLY TO CLAIMS FOR WHICH INDEMNIFICATION IS PROVIDED BY A PARTY UNDER SECTION 4.2, 4.5, 6.7 OR 8.3.

4.11. Third-Party Software. SunGard shall use reasonable efforts to provide Customer the benefit of all indemnities and warranties granted to SunGard by the licensor(s) of the Third-Party Software, to the extent possible without additional cost to SunGard, as and if permitted by SunGard's agreement with the licensor of the Third-Party Software, and to the extent such warranties and indemnities pertain to Customer's use of the Third-Party Software hereunder. In the event of any defect in any Third-Party Software supplied by SunGard, SunGard will use commercially reasonable efforts to replace or correct the Third-Party Software without charge, unless it has been damaged or corrupted after supply by SunGard (including, but not limited to, damage caused by incorrect use, incorrect voltage or attempts to modify the Solution or Third-Party Software). If such damage or corruption has occurred after supply by SunGard, SunGard reserves the right to refuse to replace or correct the Third-Party Software or to impose charges for so doing. Provided that SunGard complies with this provision, it shall face no further liability with respect to any defect in any Third-Party Software.

4.12. Open Negotiation. Customer and SunGard have freely and openly negotiated this Agreement, including the pricing, with the knowledge that the liability of the parties is to be limited in accordance with the provisions of this Agreement.

4.13. Other Limitations. The warranties made by SunGard in this Agreement, and the obligations of SunGard under this Agreement, run only to Customer and not to its Affiliates, its customers or any other Persons. Under no circumstances shall any Affiliate or customer of Customer or any other Person be considered a third-party beneficiary of this Agreement or otherwise entitled to any rights or remedies under this Agreement (including any right to be consulted in connection with any variation or rescission of the Agreement agreed between SunGard and Customer), even if such Affiliates, customers or other Persons are provided access to the Solution or data maintained in the Solution via the Internet or other networked environment. Except to the extent specified in an Order, SunGard shall not be deemed Customer's official record keeper for regulatory or other purposes and shall have no obligation to retain any records or data on Customer's behalf after termination or expiration of this Agreement.

5. Confidentiality, Ownership and Restrictive Covenant.

5.1. Confidentiality. The party receiving Confidential Information ("Receiving Party") of the other ("Disclosing Party") shall not, and shall cause its Authorized Recipients not to, use Confidential Information for any purpose except as necessary to implement, perform or enforce this Agreement. Receiving Party will implement commercially reasonable administrative, technical and physical safeguards designed to: (a) ensure the security and confidentiality of the Confidential Information; (b) protect against anticipated threats or hazards to the security of the Confidential Information; and (c) protect against unauthorized access to or use of the Confidential Information. Prior to disclosing the Confidential Information to its Authorized Recipients, Receiving Party shall inform them of the confidential nature of the Confidential Information and require them to abide by the terms of this Agreement. Receiving Party will promptly notify Disclosing Party if Receiving Party discovers any improper use or disclosure of Confidential Information and will promptly commence all reasonable efforts to investigate and correct the causes of such improper use or disclosure. If Receiving Party believes the Confidential Information must be disclosed under applicable law, Receiving Party may do so provided that, to the extent permitted by law, the other party is given a reasonable opportunity to contest such disclosure or obtain a protective order.

5.2. Security.

- (a) SunGard will implement commercially reasonable administrative, technical and physical safeguards designed to: (i) ensure the security and confidentiality of Customer Data; (ii) protect against any anticipated threats or hazards to the security or integrity of Customer Data; and (iii) protect against unauthorized access to or use of Customer Data. SunGard will review and test such safeguards on no less than an annual basis.
- (b) If Customer makes the Solution or data maintained by the Solution accessible through the Internet or other networked environment, Customer shall be solely responsible for all aspects of Internet use, and shall maintain, in connection with the operation or use of the Solution, adequate technical and procedural access controls and system security requirements and devices, necessary for data privacy, confidentiality, integrity, authorization, authentication and non-repudiation and virus detection and eradication.
- (c) To the extent that Customer's or Third-Party Users permitted to have access to the Solution, have such access through the Internet or other networked environment, Customer shall maintain agreements with such end-users that adequately protect the confidentiality and intellectual property rights of SunGard in the Solution and Documentation, and disclaim any liability or responsibility of SunGard with respect to such end-users.

5.3. Personal Data. If SunGard processes or otherwise has access to any personal data or personal information on Customer's behalf when performing SunGard's obligations under this Agreement, then: (i) Customer shall be the data controller (where "data controller" means an entity which alone or jointly with others determines purposes for which and the manner in which any personal data are, or are to be, processed) and SunGard shall be a data processor (where "data processor" means an entity which processes the data only on

behalf of the data controller and not for any purposes of its own); (ii) Customer acknowledges and agrees that the personal data and personal information may be transferred or stored outside the country where Customer and the Authorized Users are located to countries with a different level of data protection in order for SunGard to provide the Solution and perform its other obligations under this Agreement; (iii) Customer shall ensure that it has obtained all necessary consents and it is entitled to transfer the relevant personal data or personal information to SunGard so that SunGard may lawfully use, process and transfer the personal data and personal information in accordance with this Agreement on Customer's behalf; (iv) SunGard shall process the personal data and personal information only in accordance with any lawful and reasonable instructions given by Customer from time to time as set out in and in accordance with the terms of this Agreement; and (v) each party shall take appropriate technical and organizational measures against unauthorized or unlawful processing of the personal data and personal information or its accidental loss, destruction or damage so that, having regard to the state of technological development and the cost of implementing any measures, the measures taken ensure a level of security appropriate to the harm that might result from such unauthorized or unlawful processing or accidental loss, destruction or damage in relation to the personal data and personal information and the nature of the personal data and personal information being protected. If necessary, the parties will cooperate to document these measures taken.

5.4. SG Solution Details. The SG Solution Details are trade secrets and proprietary property of SunGard or its licensors, having great commercial value to SunGard or its licensors. Title to all SG Solution Details and all related intellectual property and other ownership rights shall be and remain exclusively with SunGard or its licensors, even with respect to such items that were created by SunGard specifically for or on behalf of Customer. SunGard and its Affiliates may freely use Feedback without attribution or the need for SunGard, its Affiliates or any third party to pay Customer or any third party any royalties or other fees of any kind. This Agreement is not an agreement of sale, and no intellectual property or other ownership rights to any SG Solution Details are transferred to Customer by virtue of this Agreement. All copies of SG Solution Details in Customer's possession shall be deemed to be on loan to Customer during the term of this Agreement. Customer acknowledges that SunGard and its Affiliates shall retain the sole right to apply for the registration or renewal of the SG Solution Details and all related patent, copyright, trademark, trade secret, intellectual property and other ownership rights anywhere in the world, and Customer shall cooperate with SunGard and its Affiliates in connection with such applications and renewals.

5.5. Use Restrictions. Except to the extent specifically authorized by this Agreement, Customer shall not, shall not attempt to, and shall not permit any other Person under its reasonable control to: (a) use any SG Solution Detail for any purpose, at any location or in any manner not specifically authorized by this Agreement; (b) make or retain any Copy of any SG Solution Detail; (c) create or recreate the source code for the Solution, or re-engineer, reverse engineer, decompile or disassemble the Solution except to the extent specifically permitted by applicable law; (d) modify, adapt, translate or create derivative works based upon the Solution or Documentation, or combine or merge any part of the Solution or Documentation with or into any other software or documentation except to the extent specifically permitted by

applicable law; (e) refer to, disclose or otherwise use any SG Solution Detail as part of any effort either (i) to develop a program having any functional attributes, visual expressions or other features similar to those of the Solution or (ii) to compete with SunGard; (f) remove, erase or tamper with any copyright or other proprietary notice printed or stamped on, affixed to, or encoded or recorded in any SG Solution Detail, or fail to preserve all copyright and other proprietary notices in any Copy of any SG Solution Detail made by Customer; (g) sell, market, license, sublicense, distribute or otherwise grant to any Person, including any outsourcer, vendor, sub-contractor, consultant or partner, any right to use any SG Solution Detail or allow such other Person to use or have access to any SG Solution Detail, whether on Customer's behalf or otherwise; or (h) use the Solution to conduct any type of application service provider, service bureau or time-sharing operation or to provide remote processing, network processing, network telecommunications or similar services to any Person, whether on a fee basis or otherwise.

5.6. Notice and Remedy of Breaches. Each party shall promptly give notice to the other of any actual or suspected breach by it of any of the provisions of this Section 5, whether or not intentional, and the breaching party shall, at its expense, take all steps reasonably requested by the other party to prevent or remedy the breach.

5.7. Enforcement. Each party acknowledges that any breach of any of the provisions of this Section 5 may result in irreparable injury to the other for which money damages would not adequately compensate. If there is a breach, then the injured party shall be entitled, in addition to all other rights and remedies which it may have, to have a decree of specific performance or an injunction issued by any competent court, requiring the breach to be cured or enjoining all Persons involved from continuing the breach.

6. Professional Services.

6.1. Professional Services. An Order may identify certain Professional Services. In addition, at Customer's reasonable request and subject to the availability of SunGard's personnel, SunGard shall provide to Customer other Professional Services requested by Customer in accordance with a fully executed statement of work.

6.2. Professional Services Fees. Customer shall pay to SunGard the professional services fees stated on the Order or the statement of work for the Professional Services. In each case where professional services fees are not specified on the Order or the statement of work, then the fees for such services shall be based upon SunGard's then standard professional services fee rates. SunGard's standard professional services fee rates in effect on the date of the execution of the Order are stated on the Order and are subject to increase in the ordinary course of business.

6.3. Expense Reimbursements. Customer shall reimburse SunGard for reasonable travel, living and other out-of-pocket expenses incurred by SunGard personnel in connection with all services, including, but not limited to, Professional Services and maintenance and support rendered by SunGard. Reimbursable expenses shall be incurred by SunGard personnel in accordance with SunGard's then current per diem travel policy, a copy of which will be furnished at Customer's request. SunGard shall invoice Customer for reimbursement of these expenses on a monthly basis, as incurred.

6.4. Cooperation and Access to Facilities, Data and Employees. To the extent reasonably necessary for SunGard to perform its obligations under this Agreement, Customer shall provide to SunGard access to Customer's location site, equipment, data and employees, and shall otherwise cooperate with SunGard in its performance hereunder, all as reasonably necessary for SunGard to perform its obligations under this Agreement.

6.5. Professional Services Warranty. SunGard warrants to Customer that Professional Services will be performed in a good and workmanlike manner by qualified personnel, subject to Section 6.4. SunGard shall have no liability under this Section 6.5 unless, within thirty (30) days after the actual date of the particular Professional Services, SunGard receives notice from Customer describing the breach of this warranty, together with adequate supporting documentation and data. Upon receipt of any such notice, SunGard's only obligation under this Section 6.5 is to correct the error and re-perform the particular Professional Services affected as soon as reasonably practical at no additional charge.

6.6. Compliance with Customer Policies. While SunGard personnel are performing services at Customer's site, SunGard will ensure that such personnel comply with Customer's reasonable security procedures and site policies that are generally applicable to Customer's other suppliers providing similar services and that have been provided to SunGard in writing and in advance. Customer shall promptly reimburse SunGard for any out-of-pocket costs incurred in complying with such procedures and policies.

6.7. Contributed Material. In the process of SunGard's performing Professional Services, Customer may, from time to time, provide SunGard with designs, plans, or specifications, improvements, works or other material for inclusion in, or making modifications to, the Solution, the Documentation or any other deliverables ("**Contributed Material**"). Customer hereby grants to SunGard a nonexclusive, irrevocable, perpetual, transferable right, without the payment of any royalties or other compensation of any kind whatsoever and without the right of attribution, for SunGard, SunGard's Affiliates and SunGard's licensees to make, use, sell and create derivative works of the Contributed Material. Customer shall indemnify and defend SunGard against any third-party claim asserting that Customer does not have the full legal right (including any moral rights) to grant to SunGard the foregoing right to use the Contributed Material and/or that the Contributed Material in the form delivered to SunGard infringes upon any IP Rights. Customer waives all and any moral rights it may have now or in the future in the Contributed Material.

7. Term and Termination.

7.1. Order Term. The Order may state an initial term for the use of the Solution ("**Initial Term**") and may state renewal terms (each a "**Renewal Term**"). "**Order Term**" means the Initial Term together with any Renewal Terms.

7.2. Termination. Either party may terminate this Agreement by giving notice of termination to the other party if the other party breaches any of its material obligations (other than Customer's failure to pay Support Fees during a Renewal Support Term) under this Agreement and does not cure the breach within thirty (30) days after receiving notice describing the breach in reasonable detail.

7.3. Effect of Termination.

(a) The provisions of Sections 3, 4, 5, 7.3 and 11 shall survive any termination of this Agreement, whether under this Section 7 or otherwise. Customer shall remain liable for all payments due to SunGard with respect to the period ending on the date of termination. Upon a termination of this Agreement, whether under this Section 7 or otherwise, or upon the expiration or termination of an Order Term, Customer shall: (i) discontinue all use of all affected Solution and Documentation, (ii) promptly return to SunGard all copies of any affected Solution and Documentation and any other affected SG Solution Details then in Customer's possession; and (iii) give notice to SunGard certifying that all copies of such items have been permanently deleted.

(b) With respect to a terminated ASP Order, the following in this Section 7.3(b) shall apply: within thirty (30) days after termination of that Order, Customer shall give notice to SunGard containing reasonable instructions regarding the disposition of any tapes, data, files and other property belonging to Customer and then in SunGard's possession. Upon request contained in such notice, SunGard shall convert the data on the Solution to machine-readable form to the extent practicable and at Customer's expense. SunGard shall use commercially reasonable efforts to comply with that notice, except that SunGard may retain all such property until SunGard receives all payments due to SunGard under that Order. If Customer fails to give that notice within thirty (30) days after termination of that Order, then SunGard may dispose of such property in a commercially reasonable manner.

8. Terms Applicable To ASP Orders. The following provisions in this Section 8 apply solely to an ASP Order.

8.1. Volume Increases. Customer shall give notice to SunGard whenever Customer intends to materially increase the volume of data to be processed on the Solution. Any such increase that results in an increase beyond the Scope of Use shall require an additional executed Order Form and the payment of additional fees.

8.2. Passwords and Solution Access. If SunGard provides Customer or its Authorized Users with unique access codes to access the Solution (each, a "**Password**"), Customer shall hold any such Passwords in strict confidence and shall not assign, share, misuse or abuse the Passwords or attempt to render ineffective the password protection of the Solution. If Customer suspects or learns that a Password is being used to gain unauthorized access to the Solution, Customer will immediately notify SunGard so that it can change, or assist Customer in changing, the applicable Password. To the extent the Solution is within SunGard's network, SunGard may suspend access to the Solution without advance notice if SunGard reasonably believes the Solution is being used or accessed in an unauthorized, illegal or disruptive manner, provided that SunGard will promptly notify Customer of any such event.

8.3. Customer Supplied Data. Customer shall supply, or cause to be supplied, all Customer Supplied Data. Customer shall transmit the Customer Supplied Data to SunGard by communications link or in another manner described on the Order. Customer shall be responsible for ensuring that the Customer Supplied Data is accurate and complete. Customer represents and warrants to SunGard that Customer has the full legal right for Customer, SunGard, its affiliates and agents to use the Customer Supplied Data for processing

hereunder. Customer shall indemnify and defend SunGard, its affiliates and agents against any third-party claim alleging breach of the foregoing warranty. In order to improve SunGard's product and service offerings for its customers, SunGard may maintain a database of information residing on the Solution. SunGard and its affiliates may use and distribute such data in an aggregated and de-identified format, including as a part of the development, distribution and licensing of any SunGard product or service offering.

8.4. Regulatory Access. To the extent permitted by law, each party will notify the other promptly of any formal request by an authorized governmental agency or regulator to examine Customer Data or other records, if any, regarding Customer that are maintained in SunGard facilities under this Agreement. Customer will reimburse SunGard for the reasonable out-of-pocket costs SunGard incurs, and for time spent, in making such Customer Supplied Data or other records, if any, available to the for examination and audit by the governmental agency or regulatory authority that has jurisdiction over Customer's business.

8.5. Support. SunGard shall provide to Customer the ongoing services described in the Order for the duration of the Order Term.

9. Terms Applicable to Software Licenses. The following provisions in this Section 9 apply solely to an Installed License Order.

9.1. Grant. Except as otherwise provided in an Order, SunGard grants to Customer a non-transferable, non-exclusive, term license to use the Solution in accordance with this Agreement and the Scope of Use. The Solution shall be installed in object code form only at Customer's location(s) listed on the Order ("**Designated Location(s)**"). Customer may, subject to Section 11.4, use or access the Solution at or from Customer locations worldwide. Customer may change a Designated Location by giving prompt notice thereof to SunGard. Customer may copy and use the Solution installed at the Designated Location for inactive back-up and disaster recovery purposes. Customer may copy the Documentation to the extent reasonably necessary for use of the Solution under this Agreement.

9.2. Initial Installation. SunGard shall deliver to Customer the initial Copies of the Solution stated on the Order by supplying such initial Copies (a) by physical shipment, such as on a disc or other media, or (b) by electronic delivery, such as by posting it on SunGard's network for downloading. Physical shipment is on F.O.B. terms, SunGard's shipping point and electronic delivery is deemed effective at the time SunGard provides Customer with access to download the Solution. The date of such delivery shall be referred to as the "**Delivery Date.**" Customer shall install the Solution at the Designated Location(s) on or before the scheduled installation date stated on the Order ("**Scheduled Installation Date**"). If a Scheduled Installation Date is not specified on the Order, Customer shall install the Solution within thirty (30) days after the Delivery Date.

9.3. Acceptance. If the Solution is specified in the Order as being subject to acceptance testing, then the following terms apply:

(a) Customer shall be deemed to have accepted the Solution thirty (30) days after the Delivery Date, unless during that period, the Solution fails to perform in accordance with the Documentation in some material respect that precludes acceptance of the Solution by the Customer, and, by the end of that thirty (30) day period, Customer gives notice of non-acceptance to SunGard describing the material failure in reasonable detail and

explaining why the failure precludes acceptance of the Solution by Customer. If Customer gives a proper notice of non-acceptance to SunGard, then:

- i. SunGard shall investigate the reported failure. Customer shall provide to SunGard reasonably detailed documentation and explanation, together with underlying data, to substantiate the failure and to assist SunGard in its efforts to diagnose and correct the failure.
 - ii. If there was no material failure to perform or that the failure to perform was not attributable to a defect in the Solution or an act or omission of SunGard, then SunGard shall give notice to Customer explaining that determination in reasonable detail, and Customer shall be deemed to have accepted the Solution as of the date of SunGard's notice.
 - iii.
