

FIS Digital One Business Account Open

Unlock the future of commercial banking

Onboarding commercial customers can be a slow, complicated and expensive process. But it doesn't have to be. With **FIS® Digital One Business Account Open**, you can deliver an intuitive, thoughtfully designed user experience, allowing businesses to open and fund new accounts in minutes instead of hours.

By streamlining your business account onboarding process, you can leverage automation to reduce manual back-office tasks, attract new business customers, minimize fraud based on your risk strategy and give time back to your staff so they can focus on building relationships.

Truly omnichannel

Allow businesses to open a new account anytime, anywhere, on any device, catering to convenience. View, update and expedite applications in real-time with seamless handoffs between bankers and customers across any channel.

A modern solution

Reduce friction in the application process with the human-centric, best-in-class digital banking experience that customers expect.

Efficient onboarding

Keep manual processes to a minimum by approving commercial deposit accounts in less time with fewer exceptions.

Adaptive due diligence and automated KYB decisioning

FIS adapts the customer journey by asking only necessary questions to open a deposit account for a business. Automate compliance documentation and decisioning based on risk appetite.

Online Account Opening

- White labeled and configurable online business account open experience
