

FIS Business Hub

Unlock revolutionized business banking

FIS Business Hub

Customer expectations continue to evolve rapidly, driven by fintech innovation and demand for seamless, stable and secure experiences – making now the time to capitalize on new opportunities and future-proof your offerings to maintain long-term relevance. The competitive landscape is intensifying, making it crucial to differentiate and retain market share. To overcome these challenges, banks must create ecosystems that cater to evolving client demands, ensuring relevance and growth in an increasingly fast-paced industry.

FIS® Business Hub revolutionizes banking, seamlessly integrating bank and fintech applications to provide a unified user experience. It empowers you to deliver a 360-degree view of your banking operations, boosting client engagement and market share while unlocking financial insights. Business Hub offers an ever-expanding ecosystem, making it a future-proof investment while minimizing your efforts for custom design and development.

A future-proof ecosystem

Business Hub is built to be a future-proof ecosystem that allows you to evolve as the industry does. It offers a comprehensive financial hub to deploy a simple, holistic, embedded and direct experience to your business clients, while providing all the capabilities necessary for you to do business efficiently, using any and all channels. Designed to deliver an unparalleled user experience, Business Hub allows you to:

Gain more visibility with a 360-degree operational view

Enhance client engagement and user experience

Expand market share by seamlessly integrating bank and fintech applications

By offering tailored solutions and unlocking financial insights, FIS helps enable you to deliver a host of financial services, exceed customer expectations and achieve lasting success in an increasingly competitive market.

Designed to meet your customers' needs

Business Hub is designed with the customer's perspective at its core, delivering a seamless, holistic user experience by integrating bank and fintech applications. With tailored solutions for diverse industries, customers enjoy personalized financial services that cater to their specific needs. Business Hub focuses on:

- Unlocking financial insights, driving revenue growth and streamlining processes for greater efficiency.
- Enabling customers to benefit from a future-proof ecosystem that is adaptable to industry changes and evolving client demands, ensuring they stay ahead in an increasingly competitive market.
- Supporting multi-product users, conveniently providing a single interface for customers to access and manage their banking products.
- Elevating our banking clients to foster long-lasting customer relationships and achieve continued success in the competitive financial services landscape.
